The enthusiasm of trade last week has given us fresh inspiration, and tomorrow and all this week we're pre-

pared to add to the occasion special displays and special bargains all over the Big Store. It's really wonderful to see the crowds that congregate here from day to day. There certainly must be an attraction both in goods and prices, for the swing of trade

is coming this way more than ever, The comfort of shopping in this bright and busy store, and the convenience of finding nearly everything you want under one roof, coupled with economy in buying, makes this the great center of attraction, and headquarters for general merchandise.

But in order to further stimulate trade and add to the general enthusiasm which pervades the whole establishment, we've put forth extra exertion to make this week the busiest yet.

In every department additional specials will be added daily so that no matter when you come you'll be sure to find something new and something you haven't seen
