THE WANDERERS. TORONTO, June 16. - The Wanderers' bicycle meet at the new Rosedale track yesterday afternoon was very successful in

every way. Fully 5,000 people were present. The day was fairly free from casualties. Only in one instance did anything of an unfortunate nature occur. In the two-mile handicap Rowen, of Guelph, in trying to avoid one of the competitors who fell, ran into the fence at the northern

corner and badly injured his shoulder and leg. WHEELER WINS. FLORENCE, June 17.-In the international bicycle race here to-day Harry Wheeler

Matchbox and 20 to 1 against Mansour. The conditions include: 150,000 france given by the city of Paris and 50,000 frances by the five great railway companies for colts and filies foaled in 1891, of every description and country, added to a sweepstakes of 1,000 francs' each, the second to receive 20,000 francs and the third 10,000 trancs out of the stakes: distance 3,000 meters. GOOD PROSPECTS IN KENT AND ESSEX. Our information respecting the elections in Kent and Essex is that the prospects

are very good for the return of the Government candidates in both counties. In East Kent Mr. Ferguson's election is beyond a doubt. In the west Mr. Pardo will secure a majority. In North Essex Mr. McKee has developed great strength and will come out at the head of the poll. In South Essex Mr. Balfour's re-election is assured.

Tilbury News. NOTES.

Opponents of the Government in the South Essex contest distrust their candidate because he admitted the Liberal nominee was better qualified to represent the constituency than himself,

The Ridgetown Standard advises its Conservative friends to support Mr. Ferguson (Liberal) in East Kent. Thus it goes.

Grand Trustee Wilson, of the Patrons. speaking in Wellington, strongly condemued Mr. Mercdith's persistent op-position to the Guelph College and experi-mental farm as a blow at the interests of the farmers. They all understand that fact.

Sir Oliver Mowat will speak in Simcoe town on Thursday next. Thes. Young is the Patrons' candidate

for Marquette for the Commons. Hon. S. H. Blake will speak at Markham

on Wednesday next in the interest of Mr. Richardson, the Liberal candidate. A great meeting is expected.

The great event of the campaign will be the Liberal meeting at the Massey Music Hall, Toronto, on Monday night. The speakers will oe Mr. B. B. Osler, Q.C., Mr. S. H. Blake, Q.C., Mr. John Bertram, Mr. J. K. Kerr, Q.C., Mr. Charles Moss, Q.C., Mr. Joseph Tait and Mr. G. G. S. Lindsey.

MR. TAIT AND PROHIBITION. Mr. W. H. Orr writes: "Editor Templar, Hamilton --- I am astonished that you should have 'in the last days of an election campaign' made such an attack upon our staunch prohibition friend, Mr. Joseph Tait, as found in the second column, page 2, of your last issue. To those who have lived even for a few years in Toronto it must seem startling to have a temperance paper, printed within 40 miles of this city, questioning the soundness of Mr. Tait as a prohibitionist. Everybody here who has been in touch

with the prohibition work knows that it is entirely unnecessary for Mr. Tait to open his mouth in further declaration of his faithfulness to prohibition for years to come.'
