## BRITISH POSTOFFICE'S GREAT WORK IN HANDLING 600,000 PENSIONERS

Weekly.

Mr. Sydney Buxton, the British post-master-general, visited Stoke-upon-Trent recently to open the new general post-had been placed on the postoffice. All this additional work had been done without any disturbance or office for the district. In the crowd delay whatever in the ordinary business Wilde. It was stated that the postmasterwision of sufficient silver, especially of
general had been informed that the wohalf-crowns, to meet the weekly demand. ence known by lusty shouts.

All the Additional Work of Old forms, and when the pension was paid the pensioner had to be identified and the genuineness of the pension order verified, and often assistance had to be given to illiterate pensioners. Each week lay — Pays Out \$750,000 the pensions paid numbered considerably more than 600 000 the polying a weekly as the pension paid numbered considerably more than 600 000 the pension as well as the pension was paid the pensioner had to be identified and the genuineness of the pension was paid the pensioner had to be identified and the genuineness of the pension order verified, and often assistance had to be identified and the genuineness of the pension order verified, and often assistance had to be identified and the genuineness of the pension order verified, and often assistance had to be identified and the genuineness of the pension order verified, and often assistance had to be identified and the genuineness of the pension order verified, and often assistance had to be identified and the genuineness of the pension order verified, and often assistance had to be given to illiterate pensioners. more than 600,000, incolving a weekly payment of f150,000, the average value of the Mr. Sydney Buxton, the British post
pension being 4s 9½d. (Applause.) Thus over thirty million additional yearly awaiting Mr. Buxton were several militant suffragists, including Mrs. Margaret stride. One of the chief difficulties in Murch, of London, and Mrs. Redfern men were determined to see him "by It was feared that at first there might be hook or by crook." They collected near some deficiency of silver in Ireland and the doorway of the postoffice, but were moved by the pressure of the public and in some of the outlying places, but in the end it was found possible to provide sufthe police, though they made their pres- ficient to meet the emergency. (Applause.) For a short time there was some Mr. Buxton was afterwards entertained at a luncheon at the North Stafford Hotel. Near the close Miss Gladys Keevil, who effected an entrance to the recent "Skye was satisfied." (Laughter.) dinner at Birmingham, which was at- It was satisfactory to know that the tended by Mr. Churchill, appeared at the whole of this great work was carried out door of the dining-hall and shouted: "Mr. without any difficulty or friction. Only

Sydney Buxton, when will the Liberal one complaint of a serious nature had Government give votes to women?" Mr. been received, and that was due to a misbuxton joined as heartily as the rest of the company in the laughter which the up. (Hear, hear.) It appeared certain that Responding to the toast to his health, there had been very few or no attempts waists, made me presentable at a week end visit to the home of one of these Mr. Buxton humorously observed that apparently "suffragetism" was becoming a About 36 per cent of the orders had been apparently "suffragetism" was becoming a About 36 per cent of the orders had been apparently apparently the suffragetism of the orders had been apparently the suffragetism of the order had been apparently the suffagetism of the order had been apparently the suffagetism of profession. The other day, he said, a receipted by means of marks, about 22 savings bank account was signed by a per cent being paid to agents. The bulk Miss —, who gave her occupation as of the pensions were paid on Friday, the rest being spread over the week. The went on to discuss the relation of the result had been that on Friday there had postoffice to the public, and claimed that been in certain cases some overcrowding of offices. The efficient and sympathetic worn short trousers, a flannel shirt and the country. Instancing the increasing of the country. Instancing the increasing way in which the work had been carried a sweater which I had knitted.
