Confesses Killing Her Five Children

Charlottetown, P. E. I., July 22.-Mrs. McGee, the wife of a farmer near Georgetown, who has been found guilty of the murder of her five children, has made a confession. The confession, given to Mr. Duncan A. Stewart, of Georgetown, is as follows: "I, Minnie McGee, confess to having administered the ends of matches containing sulphur and phosphorus, to my children in April last. I gave it to them in sugar and water. I was feeling bad at the time I did it.—(Signed) Minnie McGee." This statement was filed in the court today, and is expected to have an influence in shaping the fate of the unfortunate wo-Professor Ruttan was especially anxious that, if possible, a confession should be got from the woman. The whole case will make an exceedingly interesting addition to medico-legal happenings.

Mrs. McGee will be examined as to her sanity.

TAFT NOW FAVORS PACT

Continued From Page One. throughout the middle west and northwest by his advocacy of the policy. Although reciprocity was about the only Taft policy that the third-term candidate (Roosevelt) indorsed, he repudiated

peding his canvass for delegates against Mr. Taft. It is expected that further and more specific announcement of the President's willingness to see reciprocity repealed will be made before the assembling of the new progressive convention. Many of the President's friends have advised him to jettison the policy, on the ground that reciprocity is dead, anyway. To keep it in the statute books, they say,

it as soon as he discovered it was im-

is only nursing a forlorn hope and maintaining a scarecrow against the farmer Rereal would deprive the third-term candidate of a chance to pillory President Taft as the champion of a policy highly unpopular in the agricultural highly unpopular the repeal of reciprocity, can readily that he would approve a measure to remaintain that he still believes in it, but also thinks that when Canada realizes the advantage now spurned a new agree-ment can be negotiated, upon which the representatives of the American farmer

in Congress may pass anew.
Would Favor Repeal. President Tast has indicated to several western senators who were active opponents of Canadian reciprocity that he would favor a repeal of the act.

Some of those with whom the President ras talked think he may send a message to Congress on the subject or

of acceptance when a committee of the Chicago convention notifies him, Aug. 1, of his nomination. Senate leaders say that so far the President has had no direct communication with them on the subject or sent any communication to them saying he favors a repeal of the law.

Mr. Taft will not withdraw his own support of Canadian reciprocity as a deliberations, but for the contribuprinciple, it is understood, but will take to the position that the United States knowledge of the matter." should not continue an offer that Can-

fusal to indorse it. Senators McCumber, Heyburn, Gronna and others, have urged a repeal, and an amendment was put on the steel tariff bill, recently passed by Congress and now in conference, providing for such

action. It is asserted among western senators that if any tariff measure is passed in the Senate this week an amendment will also be incorporated for the repea of the reciprocity law. In case any one of these bills reach the President and is vetoed, it is expected he The President, having urged make clear in his veto message the fact

CANADA'S PART

Intimates That Borden's Naval Proposal Is Addition to Imperial Fleet.

SAYS UNITY IS SAFETY

No Announcement of Policy Until the Premier Returns to the Capital.

London, July 22. - In introducing the supplementary naval estimates in the House of Commons today the ence of the Rt. Hon. R. L. Borden, prime minister of Canada, who was in ute to the efforts of the Canadian ministers, but declared that no announcement of policy would be made until Mr. Borden and the other Dominion ministers who had been in conference with the admiralty had re-turned to Ottawa and consulted with

"It has been," he said, "a source of "It has been," he said, "a source of comfort and encouragement during these last few weeks to have by our side the Prime Minister and other ministers of the Dominion of Canada. It has been like the touch of the hand of a strong friend when serious business is to be done. The task of the control of the state of the control of the contr maintaining the naval power of the empire under existing conditions is a heavy one. All the world is arming as it never has before. We have to protect dominions and territories scattered over every continent and every ocean as well. We understand the truth of Mr. Borden's words that the day of peril is too late for pre-

Aid of Dominions.

'There is an earnest desire upon the part of the dominions to assist in common defence of the empire, and the time has come to make that disposition effective. Apart altogether from material aid, the effect of the arrival on the blue waters of these new nations of the British Empire cannot be measured.

accompanied by the beginnings of an association in policy, then I say that both measured by defence and by the policy of co-operation of the dominions with the United Kingdom, it terson have returned after thoroughly the same than the same as the same and the same as th would be an inestimable benefit to and unsuccessfully searching the Sar the strength of the empire and the nia reserve for the Indian fugitive general cause of peace.

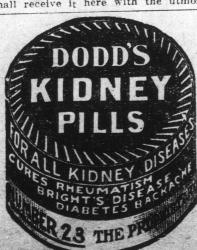

"We have had repeated conferences with Mr. Borden and his colleagues at the admiralty, and they are now in possession of all the facts. We discussed with them with the utmost freedom and confidence what course should be taken to surmount the difficulties obstructing such cooperative action. So far as the admiralty is concerned there will be no difficulties which shall not be sur-mounted. There is, however, a strong distinction between measures dealing with the requirements of the immediate future and the elaboration of a permanent naval policy. The latter will require much fuller dis-cussion than has been possible hith-

Borden's View. "Mr. Borden and his colleagues authorized me to say that they shared this view, and that any special action which the immediate future may require of them will not be delayed. Pending the settlement of a permanent naval arrangement, they wish that the aid of Canada shall be an Traffic Stopped By a Terrific addition to the existing British programme, directly strengthening the naval forces of the empire and afford-ing a margin available for its security. They tell me that the action of the Dominion will not be unworthy of the dignity and power of Canada. than that, I am not entitled to say. The decision of the Canadian Gov-

In conclusion, Mr. Churchill ridi-culed the pictures which had been sections of the cabinet waging a savage and perpetual war, only suspended from time to time by unsat-isfactory and unnatural comproisfactory and unnatural compro-mises. "The questions with which I have been dealing," he said, "are not such into which compromise could easily enter. It is easy to change a minister, but it is not easy to change facts. They are unavoid-able and have to be dealt with, however unpleasant the consequences. The policy which I have submitted is

which has already begun in council will before long fructify in action. which they have entered into these

After mentioning the necessity of ada refuses to accept. The reciprocity Mr. Borden first making an anlaw continues in effect in the United nouncement in Canada, the Prime States, notwithstanding Canada's re- Minister proceeded to say: "Whatever that announcement may be, I am perfeetly certain that it will be adequat to the dignity and patriotic spirit of the Canadian people, and that we shall receive it here with the utmost

country and the dominions and that we cannot, either in peace or war, isolate ourselves from one

Mr. Asquith assured the House that when the next estimates were presented, with the added knowledge of prospective requirements, they would not fall short of everything which the advisers of the crown deemed necessary to fully safeguard British interests in the Mediterranean as

in every part of the world.

After referring to the visit of the Canadian, ministers in terms some what similar to those employed by the first lord of the admiralty, the Pre-mier added: "Side by side with their growing participation in the active burdens of the Empire on the part of the dominions, there rests with undoubtedly the duty of making such response as we can to their obviously reasponable appeal to be heard in the first lord of the admiralty, Mr. Win-ston Churchill, referred to the pres-and the direction of its affairs. Arrangements such as this are not to be made in a day. They must result in the gallery. Mr. Churchill paid a trib- and will probably have to be developed from time to time. But without committing ourselves to any particular form of arrangement, we share with the great dominions the feeling, which as years have passed, has become more conscious and articulate, instantaneous, Some of the eyecome more conscious and articulate, that we have a common heritage and common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests, and that in the enjoyment of that heritage and in the common interests in the common interests. joyment of that heritage and in the discharge of the duties which those interests involve we are more and more conscious partners one with the

enthal Case Surrenders to

District Attorney Declares the Entire Affair Smells of Police Connivance.

[Canadian Press.] New York, July 23.—The gun-men wanted for the killing of Gambler Herman Rosenthal are beginning to 'all into the nets. Harry Vallon, guncarrier and gambler, one of the five notorious gangsters who were in the "murder car" the night Rosenthal was shot, surrendered himself to the po-lice this morning, and within ten days Deputy Police Commissioner Dougherty expects to round up the whole

ang of gun-carriers,
With the men who actually did the hooting in the toils the main work of District Attorney Whitman and eputy Police Commissioner Dough erty will commence, that of trying to learn the identity of the real conspin ators who so greatly desired that Resenthal be done away with before e could make further revelations of the relations between the police and gamblers.

Several of New York's prominent itizens have offered to pay for a private investigation into the quesion of whether poice partnership with gamblers led to the slaying of Rosen-

thal. Commissioner Dougherty remarked significantly to District Attorney Whitman, that "I g.ess we agree as to who is back of this killing," but the public prosecutor does not feel that Commissioner Dougherty can swing the investigation of the killing alone, as he believes that the police depart

lowed by the voluntary appearance of the other gangster known to have een concerned in the murder.
Vallon has nothing of the appearance of a gangster of the meaner sort. His appearance at police headquarters dumb ounded the desk sergeant, and he had to invince the detectives as to his identity efore they locked him up. Vallon drew up at headquarters in a

dressed, dapper little chap step lightly out from the car, and, swinging a cane from a gloved hand, mount the steps of the building.

"Kindly tell me where the detective bureau is," he asked. Then Vallon appeared before Lieut. McNally and gave himself up, and was locked up after that astonished official could summon an of-

axicab, and loungers saw a fastidiously

Gun Men Fly. Commissioner Dougherty prepared to give Vallon the third degree today, to learn further of those who hired the gun nen to kill Rosenthal.

That some of the gun men have fled he city is believed by detectives. Commissioner Dougherty thinks tha om some one of the gun men he will melp to bring in those higher up. The commissioner says that nearly a score of men played parts in the plot that ended in the killing of Rosenthal in front of the Hotel Metropole, and from among them he expects to find a "squealer." Until recently the gun men were ab-Mrs. solute in their belief that the "police D'Brien. According to the story told by system" would protect them in the mur-District Attorney Whitman, when told that counsel for Shapiro was ready to have the chauffeur of the "murder car" turn state's evidence if he would be pro-

"I will protect every man in this case if I can get the evidence I want against policemen—evidence I know exists. I will let Shapiro and Libby, and Bridge learned, is one of her girl friends. Webber and Sam Paul, and Jack Rose himself, turn state's evidence if I can want them. What has the police de-partment, except Dougherty, done? Nothing. They are not doing anything Dougherty is honest and on the level, but can he swing this thing alone? "The murder smells of police connivance.'

FELLOW-WORKERS ATTENDED FUNERAL

Interment of Remains of Walter Toll on Monday.
