# TURKS ARE SENDING TROOPS TO ASSIST ON EASTERN FRONT

Going to Help Teutons Against Czar's Forces.

BERLIN, July 25 .- 6 p.m.-Via London, July 26.-6:10 a.m.-"Important developments are impending on the southeast front: the fez will soon be seen or the Danube To this cryptic utterance of the chief

of the intelligence department at a luncheon to the American correspondents at German headquarters last Sunday, the Associated Press is now able to add the key. Turkey has placed a force of Ottoman troops at the disposal of the central powers for service in Europe. These troops are now in transit through the Balkans. The leading detachments are already approaching Galicia, where they will cowith the Austro-Germans against Turkey's arch enemy, Russia.

Turkey's timely contribution to the military forces of the central powers is granted in return for German and Austrian assistance in the Dardanelles and Mesopotamia.
