## Definite Arrangements Made For Group Football Playoff Series.

### SEVERAL MEN BACK

Through W. S. Haney, M. L. A., con

rangement of the first two games
which gave Sarnia the first match at
home. London has thus won one victory this week, and intends to duplicate it on the field in the Tunnel City
Saturday.

Practices naturally sloughed off in
both camps during the period of waiting for some definite news, but Coach
Huestis' squad was out at almost full
strength last night, when it was more
or less known that the game would be
ordered played this week.

The local squad is at full strength
again. Jerry Goodman has been out at
both workouts this week and his leg
is right again. Hødgins, who was out
of the last game through an injury, is
back on the job and will be a big factor
in the improvement over its former
great form which the London line is
expected to display on Saturday.

Reg. Beard, who has been suffering
from a sore hand, is expected out tonight. This youngster's tackling was
a feature of the last game here, and he
seems to gather more speed and precision in his deadly tackling each time
out.

The committeemen are all expected

out.

The committeemen are all expected to be out at the workout tonight, as arrangements have to be made regarding the invasion of the Tunnel Cip on Saturday. It is not improbable that the biggest contingent of supporters that ever accompanied a London team to Sarnia will make this trip with the Huestis men. Three hundred is not overshooting the mark if the fans are granted motoring weather Saturday.
