Mr. Justice Rose yesterday made an order at the instance of J. Fiskin & Co. to commit to jail Francis S. Smith for contempt in refusing to at-tend for examination as a judgment debtor. A motion was made for an order for the posses-A motion was made for an order for the possession of Barbara Barnard, an infant of 11 years of age. The mother lives at Stratford and was deserted by her husband some years ago. She left one of her children, a little girl, with its grandfather on the husband's side, who now refuses to give it up. The motion was emlarged and notice directed to be served on the official guardian. In the case of Haines v. Hastie, so often reported, a motion was made to strike out part of the statement of defence which alleges that a settlement was arrived at and compensation made by defendant to the plaintiff's father for the seduction and an agreement entered into that no action should be brought against the defendant. The action is for breach of promise of marriage, and the defendant now sets up the agreement and pleads estoppel. The learned judge struck out the part complained of in the defence, holding that the agreement with the father did not preclude the daughter from suing.

The Common Pleas Divisional Court yesterday heard an appeal from the judgment at the trial in the case of Miss Corridon against one Wilkinson of Galt, a merchant, in whose shop she was employed. She alleges that she was wrongfully dismissed and was slandered by the defendant, and asks \$2000 damages. At the trial amount and from this the defendant now appeals. Judgment was reserved.

amount and from this the defendant now appeals. Judgment was reserved.

The Court of Appeal yesterday heard argument in the case of Attorney-General of Ontario v. Niagara Falls Tramway Company. The question involved is whether the company can run its cars on Sunday or not. The Common Pleas Divisional Court, Mr. Justice Rose dissenting, held it could. The action was commenced by Rev. Richard Hobbs and taken up by the Attorney-General when the matter went to appeal.

Over \$20,000, yesterday afternoon, but the chairman's absence from the city prevented a quorum and consequently the transaction of any business. Chief Inspector Dexter is being kept busy refunding the \$100 overcharge to the liquor dealers. There are 150 hotelkeepers and 50 shopkeepers to receive the rebate, and this will entail on the part of the Government and the city a refund of not less than \$20,000. Mr. Dexter said that only one-half had as yet received the money, and none would have been given the amount claimed had there not been a special arrangement with the city authorities. Mr. Dexter refused to state the nature of the agreement referred to, and on City Treasurer Coady being questioned he professed entire ignorance that any such negotiations had taken place. rday afternoon, but the chairman's absence

## SUNDAY STREET CARS. Frauds will be Perpetrated Spring the Question in the Courts. for Gain.

Unscrupulous manufacturers of medicines are offering to supply the retail druggists with an article put up in RED wrapper, almost identical in general appearance and closely assimulated in every detail to Carter's Little Liver Pills.

In this way they hope to profit by the merit of Carter's Little Liver Pills, and palm off an imitation on the unsuspecting sufferer and purchaser.

It is the source of wonder to honest people that there are men ready and willing to perpetrate such frauds.

Let them beware; a day of reckoning will surely come, there are "upright judges" in the land who will punish such people.

When you go for a bottle of Carter's Little Liver. Pills, ask for "Carter's," insist upon having "Carter's," and see that you get "C-A-R-T-R-R-1-C". The proprietors of Carter's Little Liver Pilis have spent hundreds of thousands of dollars to make their value known. True merit always wins with the people, CARTER'S LITTLE LIVER PILLS have won,

> Real ESTATE IN TORONTO HAS lost a large percentage of the speculative element and is settling down to solid business, which in the end is best for all concerned. Only what people really require is now entertained, which applies to business as well as to homestead property. The influx of population will steadily go on and thus create a demand for outside property. Merchants are removing to Toronto as the leading centre for commerce, hence central property sheadily advances. R. J. GRIFFITH & CO., 16 King-street east.
