CLOSING DAY AT GRAVESEND.

Market Defects Handicapping, Favorite for
the Woodlawn.

Gravesend, Oct. 12.—The attendance on
the closing day, was very fair, con-
sidering the miserable weather. The rain
parted the track into a mud hole, and
the horses who had good weather
before were handicapped. The features
were the Allerton handicap of \$2000 for 2-
year-olds, which was won handsomely by Han-
son, and the Woodlawn handicap of \$1500,
won by Rubicon, who just managed to win
by a neck. Summary:
