THE FOUNDLING

DON'T DODGE DIFFICULTIES.

Every Sunday-school class is a hard class to teach. Some classes, indeed, are comparatively easy to manage; but the classes that are easiest to manage are often the hardest to teach. More glorious results are frequently achieved from a noisy benchful of rude and inattentive boys than from a sweet circle of little girls that smile at the teacher and think about the other girls' dresses.

The real reason why some persons ask for an 'easy class' in Sunday-school is not that they are afraid of making a failure, but that they are afraid their failure will show. Dodging difficulties is poor business for a servant of Christ, and usually proves unsuccessful.—'Sunday-School Times.'

The faith that moves mountains, began on grains of sand.

EPPS'S COCOA

BREAKFAST—SUPPER.

'By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame.—*Civil Service Gazette.*
