

SAVAGE RIFLES

A GLANCE at the 22-caliber Savage Repeating Rifle will convince you that it is different from any other arm you ever saw. Besides being the best gun for small game and target work, it is the simplest and safest to handle. Its particularly strong points are accuracy and reliability, and the finish and beauty of outline will always be a source of pleasure. It will never stick or jam when you are in a hurry for a second shot, but will always work smoothly and easily. Savage Rifles are made in a variety of sizes for all different kinds of shooting and are sold to you under an honest guarantee. Write to-day for catalogue H.
