### Scientific and Useful.

**GINGER COOKIES.**—Two eggs, two cups Orleans molasses, one cup of sugar, one three-quarters full of sour milk, four teaspoons soda, one tablespoon ginger, one cup lard—frying is best.

**MOUNTAIN CAKE.**—One and one-half cups white sugar; one-half cup butter beaten to a cream; stir in two well-beaten eggs and one-half cup sweet milk; two teaspoons baking powder in two cups of flour.

**STARTLING YET TRUE.**—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and other diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Oriental Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

**GOLDEN CAKE.**—The yolks of eight eggs beaten until very light, one-half cup of butter, creamed with one and one-half cups of sugar, two cups flour, with a full tea spoonful baking powder, one-half cup of milk.

#### Figures Cannot Lie.

This has been said by a great many, and believed to be truth. But we are sometimes a little sceptical, and in place of some remote planet is given, but never in the least doubt when JOLLIFF & Co., of 467-471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

**SARATOGA POTATOES.**—Peel and slice in nice long pieces, and put in cold water, wash and drain, spread between the folds of a clean cloth, rub and pat until dry. Fry in hot boiling lard, salt as they are taken out.

#### DON'T READ THEM

if you have a sufficiency of this world's goods, but if you have not, write to Hallett & Co., Portland, Maine, and receive free full particulars about work that you can do, and live at home, wherever you are located, at a profit from \$5 to \$25 per day, and upwards. All succeed both sexes; all ages. All is new. Capital not required; Hallett & Co. will start you. Don't delay; investigate at once, and grand success will attend you.

**CHOCOLATE ICING.**—Put in a saucapan half a pound of powdered loaf sugar, two ounces of grated chocolate, and about a gill of water; stir on the fire until the mixture assumes the consistence of a thick smooth cream.

**TRUE MERIT APPRECIATED.**—BROWN'S BRONCHIAL TROCHES are world-renowned as a simple yet effective remedy for Coughs and Throat Troubles.

In a letter from HON. MRS PERY, Castle Grey, Limerick, Ireland, they are thus referred to:—

"Having brought your 'BRONCHIAL TROCHES' with me when I came to reside here, I found that, after I had given them away to those I considered required them, the poor people will walk for miles to get a few."

**COTTAGE PUDDING.**—Take three pints of milk, set on the stove to heat; dissolve two tablespoons of corn starch in a little milk; add to it when scalding hot, with the yolks of five eggs beat up with two tablespoons of sugar; a little salt when it comes to boil; pour out in a pudding pan; beat the whites with the same amount of sugar and spread over the top; flavour with vanilla; set in the oven and brown a little.

THINK carefully and express your thoughts concisely with one of Esterbrook's easy writing pens.

**A PUDDING, SIMPLE AND DELICATE.**—Set one quart of milk on the stove, and when it is very hot add three tablespoonsful corn starch, mixed smooth with a little milk and the yolks of four eggs, adding a little sugar, stir until thick, and then pour it into a baking dish; when cold, pour over it a frosting made of the whites of the four eggs, allowing a tablespoonful of sugar for each egg. Flavour with lemon juice, and set in the oven until it is a delicate brown.

#### Food for Consumptives.

Scott's Emulsion of Cod Liver Oil with Hypophosphites, is a most wonderful food. It not only gives strength and increases the flesh, but heals the irritation of the throat and lungs, is as palatable as milk and in all wasting diseases, both for adults and children, is a marvellous food and medicine.

### CATARRH. CATARRH. DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrh deafness and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—*Christian Standard.*
