The Coming School of Medicine.

The Histogenetic System

THIS SYSTEM IS COMPLETE, having different medicines for all the different diseases. The theory is entirely different from that of the old schools. The medicines are perfectly pure, containing nothing of a poisonous nature whatever, and are quite tasteless. For three years these medicines have been given away free and thoroughly tested in the most hopeless cases before being placed on the market. The result has exceeded the sanguine expectations. Hundreds of cases supposed to be incurable have been cured, and abundance of proof can be produced to convince the most skeptical that Histogenetic Medicines have cured and are curing to-day DISEASES at a later stage than any other system of medicine in the world. In ACUTE cases the medicines act like magic. Chronic troubles require a longer time, generally from one to three months, according to the nature of the complaint. In FEMALE IRREGULARITIES, WOMB TROUBLES, etc., the Medicines have been especially successful. Private EXAMINATIONS in these troubles are almost, if not quite, absolutely unnecessary. Call or send for one of our free books explaining the system. They should be in every house in the land.

RHEUMATISM AND SCIATICA.

LONDON, April 26, 1891.

I am happy to acknowledge, and now testify to the efficacy of your medicines in curing Rheumatism. I have suffered with this painful disease in my shoulders, knees and hips for twenty-five years, also with sciatica for some time. I decided to try Histogenetic Medicines as a last resort, as nothing ever seemed to give me any permanent relief. The first week's Medicine gave me relief, and in two weeks the sciatica disappeared and has not returned. I took the medicines for six weeks, and am cured of the rheumatism. I feel better in every way. I am sixty years of age, and feel quite smart and active. I can cheerfully recommend these Medicines to the public, and will be glad to tell any sufferer about my case. It is now nearly two months since I ceased taking the medicines, and the effect is permanent.
