**ORGAN AND MELODEON TUNER, DEALER IN PIANOS, ETC.,**  
**WOODSTOCK, ONTARIO.**

D. W. KARN'S Organs have been awarded Eight First Prizes and Two Diplomas for the year 1875, over competitors. Their success has been achieved by the superior tone and general workmanship acknowledged by all competent judges who have tested his organs. Intending purchasers will find it to their advantage to examine my instruments, as I am in a position not to be undersold by any. Satisfaction guaranteed in every sale.

Owing to a depression in trade, I am selling American Pianos at greatly reduced prices. Pianos 7½ Octaves, warranted for five years, for \$275. Organs sold at Wholesale Prices to all Clergymen, Teachers and Students. Every instrument fully warranted for five years.
