

RIFLE COMPETITION.

CAMP NOTES.

Friday Evening, July 6.

After the march through the city yesterday, Colonel Campbell, the Commandant, addressed the officers and men, complimenting them upon the manner in which they attend to their duties, and upon the general good conduct which had prevailed since the formation of the camp.

There was no drill yesterday afternoon, but an inspection of arms took place.

The orders issued from brigade office for the breaking up of the camp were to the following effect:—

An inspection of blankets at 6.30 this morning.

The 14th, 15th, 49th and No. 3 company of the 48th battalions were to march out at nine o'clock this morning; the cavalry, the 47th, and the remainder of the 48th at ten o'clock. The guard of the 14th was to remain on duty until relieved.

The Commanding Officers of "A" Battery kindly volunteered the use of the band to play the brigade out of camp, which offer was accepted.

Considering that last night was the final one in camp, there were no noisy demonstrations on the part of the men. Placing men in blankets and pitching them into the air was the principal amusement of yesterday evening. The 49th band played in front of the Colonel's tent.

The bugle band of the 14th played at "last post."

There were no prizes given for shooting this year, as was customary under the late Government.

The representatives of the Press are indebted to the courtesy and attention shown them by Colonel Campbell, Commandant of the camp, and Colonel Philips, Brigade Major, who afforded them every facility for obtaining information, and who were always at the post of duty early and late.—*Chronicle and News.*

THE KINGSTON CAMP.

Target practice in the Brigade camp at Kingston having been completed, I take the liberty of sending you the result of the Hastings "warriors" now in camp, and am much pleased to say that the 49th Battalion has carried off the palm in making the highest average scores, and No. 2 Company of Stirling has made the highest average of any Company in the Battalion. The 49th also has the reputation of having the best band in the Brigade. Said band played last evening in the city park much to the delight of the citizens of the limestone city.

The health of the camp has been excellent, and the conduct of the men, with very few exceptions, extremely good.

S. R. A. ANNUAL MATCH.

The annual Match of the Sherbrooke Rifle Association, was held on Monday Tuesday and Wednesday last at the rifle range in East Sherbrooke. The attendance was said to be larger than any previous match since the first year of its organization, and the prizes, thanks to the liberal subscriptions of our citizens, were well worth winning. The shooting throughout was also very good, a change in the targets having necessitated much finer sighting than formerly. Below we append the names of the winners in each match with their scores and the ranges at which fired:—

MATCH No. 1—200 and 400 yards, 5 shots at each range.
