Electricity as applied by The Owen Electric Belt and Appliances

is now recognized as the greatest boon offered to suffering humanity. It has, where AND WILL effect cures, seemingly hopeless cases where every other means has failed. By its steady, pulsing current, that is evenly felt, it will cure:

- Rheumatism, Sciatica, Spinal Diseases, General Debility, Neuralgia, Lumbago, Nervous Complaints, Spermatorrhea, Dyspepsia,
- Liver Complaint, Female Complaints, Impotency, Constipation, Kidney Disease, Varicocele, Sexual Exhaustion, Epilepsy or Fits, Urinary Diseases, Lamé Back.

WE CHALLENGE THE WORLD

to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Ordinary belts are not so. Other belts have been in the market for five or ten years longer, but today there are more Owen Belts manufactured and sold than all other makes combined. The people want the best.

Extracts From Testimonials.

"Your Electric Belt cured a violent attack of Sciatic Rheumatism of several months' standing, in eight days." - W. Dixon, sr., Grand Valley, Ont.

"SAVED MY LIFE when I had Muscular Rheumatism." - Mrs. Carroll, West Market Street, Galt, Ont.

"Am much pleased with belt; it has done me a great deal of good already." - J. Scrlinger, Galt, Ont.

"Have been a sufferer for years from Nervous Headaches and Neuralgia. After trying one of your belts more than a dozen with it. Can knock out a headache now in fifteen minutes that used to keep me in bed for days." - Thos. Gales, Crawford St., Toronto.

BEWARE OF IMITATIONS.

Our attention having been attracted to base imitations of "The Owen Electric Belt," we desire to warn the public against purchasing worthless productions put upon the market by unprincipled men who, calling themselves electricians, prey upon the unsuspecting by offering worthless imitations of the genuine Owen Electric Belt that has stood the test of years and has a continental reputation. Our Trade Mark is the portrait of Dr. A. Owen, embodied in gold upon every Belt and Appliance manufactured by The Owen Electric Belt and Appliance Co. None genuine without it.

LOYOLA,

AND THE

Educationl System

OF THE

JESUITS.

By REV. THOMAS HUGHES, S.J.

This work is a critical and authoritative statement of the educational principles and methods adopted in the Society of Jesus, of which the author is a distinguished member. The first part is a sketch, biographical and historical, of the dominant and directing personality of Ignatius, the Founder of the Order, and his comrades, and of the establishment and early administrations of the Society. In the second an elaborate analysis of the system of studies is given, beginning with an account of Aquaviva and the *Ratio Studiorum*, and considering under the general heading of "the formation of the master," courses of literature and philosophy, of divinity and allied sciences, repetition, disputation and dictation, and, under that of "formation of the scholar," symmetry of the courses pursued, the selection, classic literatures, school management and control, examinations and graduation, grades and courses. This condensed presentation of a vast and most interesting subject is thus, it will be seen, most careful, clear, and systematically arranged. The grace and cultivation of Father Hughes' style equal his erudition and impartiality. There is not a partisan phrase in his volume, which is besides a substantial contribution to the literature of its subject, and is based on authorities only recently accessible to the scholar.

"This work places before the English-speaking public for the first time in an English dress, the educational system of the famous Society founded by St. Ignatius of Loyola. Its value, therefore, irrespective of its intrinsic merits, is unique. The author has exhibited a rare grace and skill in addressing his matter to the taste of the literary community." - CONDE' R. PALLEN, in *Educational Review*.
