A MISSIONARY LESSON FOR CHILDREN.

PART I.

A GRAIN of corn an infant's hand
May plant upon an inch of land,
When twenty stalks may spring, and yield
Enough to stock a little field.
The harvest of that seed might then
Be multiplied to ten times ten,
Which, sown three more, would furnish bread
Wherewith an army might be fed.

PART II.

A penny is a little thing,
Which e'en the poor man's child may bring
Into the treasury of heaven,
And make it worth as much as seven.
As seven! nay, worth its weight in gold,
And that increased a million fold.
For lo! a penny tract, if well
Applied, may save a soul from hell:
That soul can scarce be saved alone:
It must, it will, its bliss make known,
"Come," it will cry, "and you shall see
What great things God hath done for me."
Hundreds that joyful sound may hear—
Hear with their heart as well as ear,
And these to thousands more proclaim
Salvation in the "Only Name."
That "Only Name," above, below,
Let Jews, and Turks, and Pagans know;
Till every tongue and tribe shall call
On "Jesus" as the Lord of all!

LANGLEY'S ANTIBILIOUS APERIENT PILLS. The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by puffing advertisements—no certificate published respecting them. These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, Want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, and are so gentle (yet effectual) in their operation that they may be taken by persons of both sexes, at any time, with perfect safety. Prepared and sold Wholesale and Retail, at **LANGLEY'S DRUG STORE**, Hollis Street, Halifax. Nov. 20, 1852.

HOLLOWAY'S OINTMENT. A CRIPPLE

SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING. Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1852.

To PROFESSOR HOLLOWAY,

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About ten years ago, Mr. W. Cummins, of Salford Street, in this town, was thrown from his horse whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly ten years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

A MOST EXTRAORDINARY CURE OF A DREADEFUL SKIN DISEASE, WHEN ALL MEDICAL AID HAD FAILED.

Copy of a letter from Mr. Hurd, Draper, of Keady, near Gainsborough, dated 1st. March, 1852.

To PROFESSOR HOLLOWAY.

SIR—Some time since, one of my children was afflicted with dreaful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless; At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS, DEBILITY, AND GENERAL ILL HEALTH.

Copy of a letter from Mr. J. M. Clennell, of Newcastle-on-Tyne, dated September 20th, 1842.

To PROFESSOR HOLLOWAY.

DEAR SIR—I am authorised by Mrs. Gibbon, of 31 Dalley Street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill health, accompanied with a disordered stomach, and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states, that in a wonderfully short time, they effected a perfect cure of her legs, and restored her constitution to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, Dear Sir, yours faithfully,

(Signed) JOHN MORTON CLENNELL.

CERTAIN REMEDY FOR SCORBUTIC HUMOURS—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemist, Bath.

To PROFESSOR HOLLOWAY,

DEAR SIR,—Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter. A private Bath Police Force also, has been perfectly cured of an old scorbatic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir,

Your's faithfully

April 6th, 1852. (Signed) WALKER & Co.

THE COLONIAL LIFE ASSURANCE COMPANY.

It has been established for the purpose of affording to the Colonies of Great Britain the advantages of Life Assurance, and its regulations have been so framed, as to attain that object in the most efficient manner under the most liberal covenants. The progress of the business has been attended with complete success, and the Company has obtained the entire confidence of those whose patronage it was its object to seek.

From the wide basis of its constitution, and the extent of its resources, the Company affords advantages which no local institution can confer, and it has good ground for asking public preference and support over other British Offices doing business in the Colonies, not only with reference to the facilities which it affords, by receiving premiums and paying claims in any British Colony where its Policy Holders may reside, but on the ground that, in settling or passing out of Great Britain, it does so not as an after thought, as Colonial arrangements not being mere extensions or additions to a home business, but as part of its original scheme and intention.

THE PROFITS OF THE COMPANY for the period from 1813 to 1851 fall to be divided as at 25th May 1852, and parties who Assure during the present year will participate.

AGENCIES.—Amherst, R. B. Dicke, Esq. Annapolis, James Gray, Esq. Arichat, C. F. Harrington, Esq.—Bridgetown, T. Spurr, Esq. Digby, J. A. Denison, Esq. Kentville, John C. Hall, Esq. Liverpool, J. N.
