

"That a standing committee of this Association be formed for the purpose of considering from time to time the question of fees in all its bearings, with a view to safeguarding the interests of the public and the profession and making such recommendations for changes or readjustments as may be deemed advisable and the adoption of which will carry the approval of this representative body of the profession."

It was moved by Dr. F. N. G. Starr and seconded by D. Shillington that the question of Amalgamation of the County Societies be left to the Executive. This was adopted.

Dr. A. H. Wright moved and Dr. W. H. B. Aikins seconded a motion "That affiliation between the Ontario Medical Association and the Canadian Medical Association in its present form be terminated."

Drs. R. R. Wallace and N. A. Powell moved in amendment "That a committee composed of nine members of this association, four of whom are resident in Toronto, be appointed to take into careful consideration the future relationship of the Ontario and Canadian Medical Associations; to formulate the arguments for and against a continuance of the present arrangements; and to make recommendations as to whether this can be modified to the manifest advantage of both associations and of the profession generally; and to report at the next meeting of the Ontario Medical Association."

Dr. Wright withdrew his motion and the amendment was then carried. Dr. Wallace moved, seconded by Dr. J. H. Elliott, that the committee consist of the following: "Drs. H. J. Hamilton, H. B. Anderson, D. J. G. Wishart, C. L. Starr, A. T. Shillington, N. W. E. Wilson, John McGregor, R. R. Wallace, and Mullin," this was adopted.

It was moved by Dr. W. Harley Smith and seconded by Dr. W. A. Young and carried "That there be formed a standing committee on Resolutions to which shall be referred all resolutions that any member may desire to bring before the Association."

Dr. B. L. Riordan moved and Dr. J. F. Uren seconded "That this Association request the Government of the Province of Ontario that an amendment be made to the Employees Liability Act, so as to provide for the payment of first aid in such cases by registered medical practitioners for a period not to exceed six weeks, the fees for services received to be passed on by the Commission in the accounts being presented to them in detail, such accounts to be paid out of the funds of the Commission." Carried.

In the evening Dr. Finney, of Baltimore, gave the address in surgery, and Dr. B. P. Watson, of Toronto, that in obstetrics.

The forenoon of Wednesday, 27th, was spent at the General Hospital and the Hospital for sick Children.
