BYRON WESTON

DALTON, MASS., U. S. A.,

HAS BEEN AWARDED THE

GRAND PRIZE GOLD MEDAL

AND RECOMMENDED THE

Medal of Honor and Perfection

At PARIS, 1878,

This being the HIGHEST and ONLY AWARD given for

LINEN RECORD AND LEDGER PAPER.

Also, the only Gold Medal given for Ledger Paper at the Adelaide, Australia Exposition, 1882.

A SPECIALTY.

THIS paper has received THE HIGHEST PREMIUM ever awarded for the Linen Record and Ledger Paper, at the Industrial Exposition, Massachusetts, 1874; Charles Association, Franklin Institute of Philadelphia, 1876; Philadelphia Exposition, Medal and Diploma from United States Commission, 1876; Philadelphia Exposition, Medal of Progress, American Institute, 1877; and Medal of Improvement and Progress, Boston, 1878. Its PRINCIPAL ADVANTAGES are as follows: 1. It contains more linen than any other Ledger Paper, has a longer fibre, and is consequently tougher. 2. It has a harder and better body, and being more thoroughly sized, the ink soadless after making an erasure. 3. It is more uniform in weight color and finish. 4. It never cockles if properly bound. 5. Its non-absorbent action upon ink is such that it both writes and rules up better. For proof of the foregoing refer to a large number of testimonials. Bookbinders, Bookkeepers and Recorders, who have given it after a severe test, the preference over all others. This paper is Double Six, and will stand any climate or the most acid of the fluid ink.

Send for Sample Sheet, erase and rewrite four times on same spot.

Each sheet is watermarked Byron Weston's Linen Record.
