Good Things to Eat

and among them all, none better or more appetizing than

Libby's Ox Tongues

in 1½ to 3½ pound cans. They are all selected, finest fresh tongues, trimmed, so you get them without waste. Better than you can get from the ordinary market, and much cheaper, to say nothing of fuel and trouble in cooking.

Libby's (Natural Flavor) Food Products

are U. S. Government inspected. In convenient, key-opening cans. A little book, "How to Make Good Things to Eat," is given away, and it tells about the endless variety we make, and how best to use them.
