FRED. E. RICHARDS, President. ARTHUR L. BATES,
J. FRANK LANG, Secretary. Vico-Pres.

The Union Mutual Life Insurance Company has had a business experience of forty-four years. Its policies are generally conceded to be of the most liberal character. It is the ONLY Company issuing policies under the Main Non-Forfeiture Law. It has 36 millions of dollars of insurance in force upon its books. It has an annual income of One and a Quarter Million Dollars. It has already paid to its policy-holders 27 millions of dollars.

Brains
and
Capital

IN every partnership there are two factors of great importance: the managing brain and the capital employed, and if death removes either the business must suffer. It often happens that the brains belong to one man and the capital to another. If the manager dies the capital is worth less than before; if the capitalist dies and his capital is withdrawn, the manager is crippled. It is clear that each has an insurable interest in the life of the other because the profits of each depend in part upon the life of both. The firm should, therefore, take one of the Unconditional Policies of the Manufacturers' Life, which are free from all restrictions as to travel, residence or occupation, and are absolutely indisputable on any ground whatever after the FIRST YEAR.
