MURRAY & LANMAN'S FLORIDA WATER is rapidly sending to oblivion a host of toilet waters which have long been a disgrace to the dressing-room, and a nuisance to persons of refined taste. Less expensive than the Farina Cologne it is dure, delicate and lasting a floral essence as that celebrated article, while it posseses superior cosmetic properties, Gentlemen, whose skins resent the manipulations of the reacor, can immediately milify the irritation of the of the surface by moistening the 'chin new reayed' with this balsamic cooling and fragrant essence of tropical flowers.

# SARSAPARILLA FOR YORLD'S OREAL REMEDY

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sarsaparalla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no needleine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol Lengland.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her cars, eyes, and hair for years, which we were unable to cure until we fried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-csteemed lady of Denniaville, Cupe May Co., N. J.
"My daughter hos suffered for a year past with a scrofulous emption, which was very froublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of cusmic clied papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable utilication. I tried almost everything a man could of both advice and needicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. Lenjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

From Dr. Robt. Sawin, Houston St., N. S. Dr. Avers: I seldom fail to remove Exaptions and Scrafulous Sarcs by the presevering use of your Sausayarattla, and I have just now cured an attack of Malignant Ergsipelas with it. From J. E. Johnston, Esq., Welkman, Chin.

For twelve years I had the yellow Eryshelms on my right arm, during which time I tried all the eclebrated physicians I could reach, and took handreds of dollars worth of medicines. The olears were rolad that the cords became visible, and the doctors decided that my arm must be amputated. I legan taking your Sarsapantha. Took two bottles, and some of your Phlas. Scald Hoad, Soro Eyes.

From Harvey Sickler, Esq., the able editor of the Tanckhannock Democrat, Temsylvania.

Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a leathsome and virulent sore, which covered his face, and actually binded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For lifteen days we gnarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPAILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Reading, Pa., 6th May, 1861.

J. C. AYER, M. D. Dear Sir : I have a long time been afflicted with an cruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your Sarsa-PARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cored me, and I am now as free from the complaint as any man in the world. Publish this, and let the af flicted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude, JACOB H. HAIN. The above certificate is known by us to be

true, and any statement from Mr. Hain entirely reliable. HARVEY BIRCH & BRO.,

Druggists, Reading, Pa. B. W. Ball, Esq., the ciminent author of this city, states, 6th Jan., 1860: "My wife has been of late years afflicted with a humor which comes out upon her skin in in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your Sansapannan. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the humor is now entirely gone, so that she is completely cared. This remarkable result was undoubtedly produced by your Sarsapanilla.

Charles P. Gage, Esq., of the widely-known Gage, Murray & Co, manufacturers of engmelled papers in Nashua, N. H., writes to Dr. Ayer:

" I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intelerable affliction.
