A doctor's wife attempted to move him by her tears. Ah! said he, tears are useless. I have analyzed them. They contain a little phosphate of lime, some chlorate of sodium, and water.

To forgive provocation is one of the many proofs of a great mind.

WHO IS MRS. WINSLOW? -As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, the has compounded a Scothing nurse and physician, one has compounded a Socialing Syrup, for children teething. It operates like ma-gic—giving rest and health, and is moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup. Try it, mothers-try it now.—Ladies' Visitor, New York City. Sold by all Druggists. 25 cents a bottle. May, 1864.

TELL Your FRIENDS .- If you are a temperance man, don't be ashamed to acknowledge your principles boldly, before the world. If you experience any benefit or relief from the use of Downs' Vegetable Balsamic Elixir, let your friends know it that they may also have the benefit of using it. The Elixir is warranted to cure coughs and colds. Give it to your children for croup. Take it for hoarseness and sore throat.

NOTHING BETTER .- Than Henry's Vermont Liniment for Headache, Tootache, Rheumatism, Neuralgia, fiholic, Diarrhea, &c. The universal testimony of all who have used it is that they have never used anything they liked half as well. We do not war rant it to cure everything. In fact it is not intended as a panacea for all diseases, but for the above named complaints it is a sovereign Remedy. Sold by all Druggists.

How to Live .- It is an easy thing for a sick man to drug himself to death with acrid mineral purgatives : but it is equally within the power to recover health and strength, resorting to the only cathartic which restores the disordered functions of digestion, secretion, and expulsion to a healthy condition; without enfeebling the system in performing the cure. In BRISTOL'S SUGAR-COATED PILLS be will find this grand desideratum, sought for and longed for, from time immemorial, in vain. They are commended to the dyspeptic, the constipated, the bilious, the rheumatic, the dropsical, the debilitated—in short, to all who suffer from any disease proceeding from er connected with the stomach, the liver, or the bowels as a means of immediate and permanent relief. In all disorders of a chronic character (especially in Rheumatism, Liver Complaint, Dropsy, and Neuralgia,) or where sores or eruptions are a feature of the disease, BRISTOL'S SARSAPA-RILLA, for enriching and purifying the blood, may be used with infinite advantage in combination with the pills. They are put up in glass vials, and will keep in any climate. Both remedies are for sale by all prominent druggists. J. F. Henry & Co. Montreal, General agents for

Fowle & Co., Boston-Gentlemen,-Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinute cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsum can but speak in its favor. It is a
