Mercantile Summary.

THE National Bank of Belgium has reduced its
rate of discount from 4 to 3½ per cent.

THE Hamilton firm of J. S. McMahon & Co.,
dealers in lamps, oils, &c. has changed its style
to McMahon, Broadfield & Co.

THE business people of Alliston have presented
a handsome silver tankard, and an address to
Mr. Kirkland, manager of the Bank of Hamilton
at that place.

MESSRS. W. B. Ross and Wm. Galbraith have
formed a co-partnership under the style of W.
B. Ross & Co., and will carry on business as
wholesale grocers in Montreal.

THE Parks boot and shoe stock, at Chatham,
was sold to Mr. Fred. Smith, of London, at 71
cents on the dollar, and the D. W. Lamont
stock was sold for 65½ cents on the dollar to the
same buyer.

THE cotton factory at Valleyfield is running
full time, but there has been a ten per cent.
reduction in wages. It is reported that an en-
deavor is being made to establish a silk factory
at that place.

THE timber limits belonging to the estate of
the late G. B. Hall, of Quebec, are announced
for sale by auction in Ottawa on the 20th prox-
imo. They are some 700 miles in extent and
are described as among the likeliest properties
in the Ottawa district.

MR. JOHN H. STRATFORD has made a noble
present to the citizens of Brantford in the shape
of a handsome and completely appointed
hospital. We are indebted to Mr. Thomas H.
McLean, the Brantford dry goods dealer, for a
lithographed view of the building.

THE annual meeting of the Shedden Com-
pany was also held on Wednesday of last week,
when the following officers were elected for the
ensuing year: Hon. Henry Starnes, president;
Mr. Gilbert Scott, vice-president; Messrs. John
Rankin, A. T. Fulton and Geo. R. Starke, di-
rectors; Mr. Hugh Patton, manager and secre-
tary.

JOHN GARRETT & Co., wholesale manufactur-
ers of boots and shoes in Hamilton, a house
whose business had been built up largely by the
careful integrity and slow thrift of the late John
Garrett, has just assigned. Their business last
year resulted in a heavy loss, due principally,
we are informed, to reckless cutting of prices.
The liabilities to the bank are \$30,000 and to
outside creditors a like amount. The assets,
consisting of stock and machinery, are valued
at \$95,000, besides book debts. The firm is un-
derstood to owe the Garrett estate \$50,000. The
impression is that creditors will be paid in full.
The stock, &c., is advertised for sale.
