PETITIONS

YOUNG OFFENDERS ACT

Mr. David Kilgour (Edmonton Southeast): Mr. Speaker, pursuant to Standing Order 36 it is a privilege to present a petition which I am told is signed by approximately 47,000 Calgarians with respect to reforming the Young Offenders Act.

• (1540)

The petition begins with a reference to the late Ryan Garrioch, an honours student of 13 who I understand was killed by a 15-year old fellow student in his school yard. The petition concludes that the Young Offenders Act should be replaced with a measure having a maximum age for young offenders of 13 years instead of 18 years as it is now.

In closing, this is the largest petition by far that I have ever had the honour to present. I should note the anguish of Ryan's parents, Stu and Marg Garrioch, when they came to Ottawa recently with this petition. It is an honour as a fellow Albertan to accept their invitation to present it today.

HIGH PARK PHARMACY POSTAL OUTLET

Mr. Jesse Flis (Parkdale—High Park): Mr. Speaker, pursuant to Standing Order 36 I am tabling additional petitions to those already tabled from constituents living in the High Park area expressing their opposition to the closing of High Park Pharmacy postal outlet No. 166.

The petitioners state they are very satisfied with the service and the location of sub-post office No. 166 located in High Park Pharmacy. They call upon Parliament to urge the government to keep postal outlet No. 166 located in the High Park Pharmacy operating in its present state and location.

The users, by the thousands, are very pleased with this postal outlet and cannot understand why the government wants to close or move it.
