VIOLENTLY RAGES

Austrian Troops Experience
Much Difficulty in Making
Good Stand.

PREPARE FOR DEFEAT

Budapest Newspapers Admit
Russians, Reinforced, Make
Insistent Attacks.

VIENNA, via London, March 29, 8:47 p.m.—Despatches to Budapest newspapers say that the battle is raging with undiminished violence in the Uzsook Pass and to the west. The difficulties experienced by the troops because of the rough character of the ground and the weather conditions, are said to be enormous. Altho the weather is warmer, snow still lies on the ground to a depth of several feet rendering the movement of the troops and the transport of munitions extremely hard.

The Russians, the despatches say, have concentrated greatly increased forces of troops in the Uzsook Pass, and aided by a frontal reinforcement, maintain incessant attacks on the Austrian positions. The correspondent of The Anst says that the attacks thus far have been successfully repulsed.

Eighteen Buildings Totally
Destroyed—Some Were

Nine stores and nine houses were completely destroyed by fire early yesterday morning on the south side of the Lake Shore road, near Humber Bay. It is thought that an overheated stove in the grocery store of J. H. Mack was the cause of the outbreak. Mack was the owner of the store, which was owned by Richard West.

Cured Fifteen Years Ago
of Piles and Eczema

By Using Dr. Chase's Ointment—Certifies That the Cure
Was Permanent.

Some people have tried so many doctors and so many treatments in their search for cure for piles and eczema that they find it difficult to believe there is an actual cure.

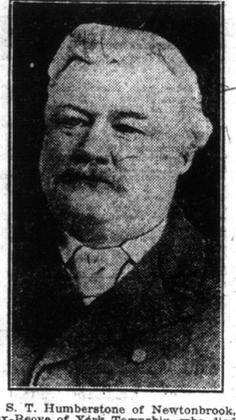

The strong point about Dr. Chase's Ointment is that it not only cures, but brings about actual and lasting cure.

In 1888, Mr. Ketcheson, 88 Dours street, Peterborough, Ont., wrote as follows: "I was troubled for thirty years with itching piles and eczema. I could not sleep at night, and when I got warm the itching was terrible. Eczema covered my legs down to the knees perfectly raw. I have tried every preparation I could hear of. Seeing Dr. Chase's Ointment advertised, I procured a box, and this Ointment effected a complete cure."

On Sept. 28, 1912, Mr. Ketcheson writes as follows: "I received a letter from you to-day, saying that you found in a statement made by me 15 years ago, I have always given Dr. Chase's Ointment a good name since it cured me, and shall tell you how it came to use it."

"I had suffered for many years from eczema and piles, and had tried doctors and everything I could hear of in vain. Reading about Dr. Chase's Ointment I purchased it at once, and was cured completely cured. That was 15 years ago, so there can be no doubt of the cure being a permanent one. I have met a great many people who have been cured by Dr. Chase's Ointment."

LIFE ON THE NIOBE IS
SOMEWHAT MONOTONOUS

Todmorden Man, Invalided Home,
Says Things Have Quietened
Down Considerably.

F. Culver, of Gowan avenue, Todmorden, a member of the crew of H.M.C.S. Niobe, who has been invalided home thru ill-health, is very proud of his ship, and her crew. To the World he said yesterday, "Altho the old ship is out of date by twenty years, she has proved the surprise packet of the war to naval men."

The Niobe, since the war began, has been attached to the Atlantic squadron, which is doing patrol duty on the Atlantic seaboard, searching ships for contraband or reservists or volunteers of enemy nations.

The 750 men which form the ship's company, are made up of a large contingent from Toronto and western Canada. 300 reservists from New-Brunswick and the men of H.M.S. Shearwater and H.M.S. Algerian of the Pacific coast station.

"Despite the severe weather, we have experienced," said Mr. Culver, "the general health of the crew has been excellent and the life on board fine. In fact everybody on board is well satisfied with everything."

"Things have quietened down considerably of late, however, and the life has become very monotonous. All the crew are anxiously awaiting their first chance to get a pot at the Germans."

The following officers were elected for the ensuing year: Vice-president, Joseph H. Rykert; second vice-president, Wm. Dalton; secretary, John McMillin; treasurer, G. F. Rykert; auditor, W. A. Baird; president and the other officers.

Mr. Rykert, in his address, said that when war was declared the Government in power which was prepared to do duty for the country, and you have congratulated yourselves on that. And you have said that you have done it. There is going to be an election, and the Government will be a stake; a time in which you remain true to the Conservative Party.

"There has never been a time in the history of our country when we should be prouder of our party than today," said Captain Tom Wallace, M.P. for Toronto, in his address. "The strength of the imperial conference to throw strength on all proposals for the benefit of the Empire, and to receive from the admiralty proposals, namely, Canada could do if she wished, largest and best-equipped ships of war. And this was received with approval by the Liberal opposition and the three Canadian ships today smashing up the Pacific and the Atlantic."

At last, after hundreds of years, we have absolute government by the people, and Germany would substitute the autocracy of militarism. They will have everything in going well; there may be some trouble ahead of us, but we are going to win out and after the war there will be a complete reorganization of the world. There will be the one great problem of dealing with social uplift and making life more livable for the people of the time. When the elections come, Toronto and the County of York will send ten members of the Conservative party back to keep the old flag flying. (Heard.)
