Goods, Wares, and Merchandizes in British Columbia, or in the other Provinces of the Dominion, those Goods, Wares, and Merchandizes may, from and after the Union, be imported into British Columbia from the Provinces now comprising the Dominion, or from either of those Provinces into British Columbia, on proof of payment of the Customs or Excise Duties leviable thereon in the Province of Exportation, and on payment of such further amount (if any) of Customs or Excise Duties as are leviable thereon in the Province of Importation. This arrangement to have no force or effect of it the assimilation of the Tariff and Revenue Duties of British Columbia with those of the Dominion.

8. British Columbia shall be entitled to be represented in the Senate by Three Members, and by six Members in the House of Commons. The representation to be increased under the provisions of the *British North America Act, 1867.*

9. The influence of the Dominion Government will be used to secure the continued maintenance of the naval station at Esquimalt.

10. The provisions of the *British North America Act, 1867*, shall (except those parts thereof which are in terms made, or by reasonable intendment may be held to be specially applicable to and only affect one and not the whole of the Provinces now comprising the Dominion), and except so far as the same may be modified by law (so far as may be applicable to British Columbia in the same way and to the like extent as they apply to the other Provinces of the Dominion), and as if the Colony of British Columbia had been one of the Provinces originally united by the said Act.

11. The Government of the Dominion undertake to secure the commencement simultaneously, within two years from the date of Union, of the construction of a Railway from the Pacific towards the Rocky Mountains, and from such point as may be selected, East of the Rocky Mountains, towards the Pacific, to connect the sea-board of British Columbia with the Railway system of Canada; and further, to secure the completion of such Railway within ten years from the date of the Union.

And the Government of British Columbia agree to convey to the Dominion Government, in trust, to be appropriated in such manner as the Dominion Government may deem advisable in furtherance of the construction of the said Railway, a similar extent of Public Lands along the line of Railway throughout its entire length in British Columbia, not to exceed, however, twenty (20) miles on each side of the said line, to be appropriated for the same purpose by the Dominion Government from the Public Lands in the North West Territories and the Province of Manitoba. Provided that the quantity of land which may be held under Pre-emption right or by Crown Grant, within the limits of the trust of land in British Columbia to be so conveyed to the Dominion Government shall be made good to the Dominion from contiguous Public Lands; and provided further, that until the commencement, within two years, as aforesaid, from the date of the Union, of the construction of the said Railway, the Government of British Columbia shall not sell or alienate any further portions of the Public Lands of British Columbia in any other way than under right of Pre-emption, requiring actual residence of the Pre-emptor on the land claimed by him. In consideration of the land to be so conveyed in aid of the construction of the said Railway, the Dominion Government agree to pay to British Columbia from the date of the Union, the sum of \$100,000 per annum, in half yearly payments in advance.

12. The Dominion Government shall guarantee the interest for ten years from the date of the completion of the works, at the rate of five per centum per annum, on such sum, not exceeding £100,000 sterling, as may be required for the construction of a first-class graving dock at Esquimalt.

13. The charge of the Indians, and the trusteeship and management of the lands reserved for their use and benefit, shall be assumed by the Dominion Government, and a policy as liberal as then hitherto pursued by the British Columbia

Government shall be continued by the Dominion Government after the Union.

To carry out such policy, tracts of land of such extent as it has hitherto been the practice of the British Columbia Government to appropriate for that purpose, shall from time to time be conveyed by the Local Government to the Dominion Government in trust for the use and benefit of Indians on application of the Dominion Government; and in case of disagreement between the two Governments respecting the quantity of such tracts of land to be so granted, the matter shall be referred for the decision of the Secretary of State for the Colonies.

14. The constitution of the Executive Authority and of the Legislature of British Columbia shall, subject to the provisions of the *British North America Act, 1867*, continue as existing at the time of the Union until altered under the authority of the said Act, it being at the same time understood that the Government of the Dominion will readily consent to the introduction of Responsible Government when desired by the inhabitants of British Columbia, and it being likewise understood that it is the intention of the Governor of British Columbia, under the authority of the Secretary of State for the Colonies, to amend the existing Constitution of the Legislature by providing that a majority of its Members shall be elective.

The Union shall take effect according to the foregoing terms and conditions on such day as Her Majesty by and with the advice of Her Most Honourable Privy Council may appoint (as addressed from the Legislature of the Colony of British Columbia and of the House of Parliament of Canada in the terms of the 14th section of the *British North America Act, 1867*), and British Columbia in its Address specify the electoral districts for which the first election of members to serve in the House of Commons shall take place.

That such terms have proved generally acceptable to the people of this Colony.

That this Council is, therefore, willing to enter into Union with the Dominion of Canada upon such terms, and humbly submit that, under the circumstances, it is expedient that the admission of this Colony into such Union, as aforesaid, should be effected at as early a date as may be found practicable under the provisions of the 14th section of the *British North America Act, 1867*.

We, therefore, humbly pray that Your Majesty will be graciously pleased, by and with the advice of Your Majesty's Most Honourable Privy Council, under the Provisions of the 14th section of the *British North America Act, 1867*, to admit British Columbia into the Union or Dominion of Canada on the basis of the terms and conditions offered to this Colony by the Government of the Dominion of Canada, hereinbefore set forth; and inasmuch as by the said terms British Columbia is empowered in its Address to specify the electoral districts for which the first election of Members to serve in the House of Commons shall take place, we humbly pray that such electoral districts may be designated, under the Order in Council, to be as follows:-

That "New Westminster District" and "Coast District" as defined in a public notice issued from the Lands and Works Office on the 15th day of December, 1868, by the desire of the Governor, and purporting to be in accordance with the provisions of the 9th clause of the "Mineral Ordinance, 1868," shall constitute one district, to be designated "New Westminster District" and return one Member.

That "Cariboo District" and "Lillooet District," as specified in the said public notice, shall constitute one District, to be designated "Cariboo District," and return One Member.

That "Yale District," and "Kootenay District," as specified in the said public notice, shall constitute one district, to be designated "Yale District," and return One Member.

That those portions of Vancouver Island known as "Victoria District," Esquimalt District," and
