

14. Manufacturers are requested to furnish with their articles exhibited, a statement of the quantity they can produce, or supply, and the price, for the information of the Judges, whose decision will be based on the combination of quality, style and price, and the adaptation of the article to the purpose or purposes for which it is intended.

15. No person shall be allowed to enter for exhibition more than one specimen in any section of a class, unless the additional article be of a distinct named variety, or pattern, from the first. This rule not to apply to animals, but to apply to all kinds of grain, vegetable products, fruit, manufactured articles, &c., in which each additional specimen would necessarily be precisely similar to the first. No exhibitor in the Arts and Manufactures Department shall be awarded more than one prize in any one section of the same class.

16. *Extra Entries.*—Every article must be entered under some one of the headings in the regular list, when possible, but if any article is of a distinct character from anything specified in the list, it may then be entered in the extra section of that class with which it most nearly corresponds. No article, however, will be allowed to be entered as an extra for want of sufficient quantity, or number, or any other similar defect, when of the same kind or variety as anything named in the list; in such a case the article cannot be exhibited.

17. All Agricultural and Horticultural products must be the growth of the present year. Manufactured articles or works of Art which have been awarded prizes at any previous Provincial Exhibition shall not be entered in competition for the prizes named in the prize list for this year, but shall be awarded diplomas, if, in the opinion of the judges, such articles are superior to any others exhibited, and are deemed worthy of the same.

18. On the entry of each animal or article, a card will be furnished the exhibitor specifying the class, the section, the number of the entry, and the name of the exhibitor, which card must remain attached to such animal or article during the Exhibition.

TRANSPORT OF ARTICLES, PLACING THEM ON EXHIBITION, AND CHARGE OF THEM WHILE THERE.

19. All specimens in the Fine Arts Class must be delivered on the grounds *not later than Friday, the 21st of September*, and all articles, other than Live Stock, not later than Monday the 24th. Live Stock must all be on the ground not later than Tuesday, 25th, at 9 a.m. Articles or animals arriving after these hours will not be allowed to compete. Exhibitors of machinery and other heavy articles are requested to have them on the grounds as far as possible during the week preceding the Show.

20. Exhibitors must provide for the delivery of their articles upon the Show Ground. The Association cannot, in any case, make provision for their transportation, or be subjected to any expense therefor, either in their delivery at, or return from the grounds. All the expenses connected therewith must be provided for by the exhibitors themselves.

21. Articles not accompanied by their owners may be addressed to the care of the Superintendent of the Exhibition, who will receive them on their being delivered at the grounds, but in no case will such articles be brought on the grounds and placed on exhibition, except by and at the expense of the owners or their authorized agents.

22. Exhibitors, on arriving with their articles, will apply to the Superintendent of the grounds, who will be stationed within the entry gate, and will inform them where the articles are to be placed.

23. Exhibitors will, at all times, give the necessary personal attention to whatever they may have on exhibition, and at the close of the Show take entire charge of the same.

24. No articles or stock exhibited will be allowed to be removed from the grounds till the close of the Exhibition, on Friday afternoon, at two o'clock.

25. While the Directors will take every possible precaution, under the circumstances, to ensure the safety of articles sent to the Exhibition, yet they wish it to be distinctly understood that the owners themselves must take the risk of exhibiting them; and that should any article be accidentally injured, lost, or stolen, the Directors will give all the assistance in their power towards the recovery of the same, but will not make any payment for the value thereof.

STEAMBOATS, RAILROADS, CUSTOMS.

26. The Association will make such favorable arrangements as are found practicable with Steamboat and Railroad proprietors for carrying articles and passengers at reduced rates.

27. Arrangements will be made with the Customs Department for the free entry of articles for competition.

ADMISSION TO THE GROUNDS.

28. As it has been found absolutely necessary to change the system of admission into the grounds, members' tickets, good for the whole week of the Show, have been discontinued.

29. Each member, on paying his subscription, will be furnished with four small admission tickets, each of which will admit the holder once, and must be given up at the gate on passing into the grounds. By economy in the use of these tickets, they can be made to last during the Show; but if a member shall have used them all, and still desires admission, he will have to purchase a single admission ticket in the same manner as a non-member. Life-members will be furnished, as heretofore, with tickets or badges admitting them during the Show. Delegates from Societies, and members of the Press, will also be furnished with complimentary admission badges or tickets, as heretofore.

30. The entry tickets upon animals or articles will admit the person bringing them to the Show Grounds for exhibition, along with such animals or articles, without the use of any other ticket. Afterwards such parties must be provided with proper admission tickets.

31. Necessary attendants upon stock and articles belonging to exhibitors will be furnished with admission tickets with their names written upon them, which ticket will be good at the Exhibitors' Gate only, during the Show.
