

PURE MAPLE SYRUP

MADE AT DONLANDS FARM, SEVEN
MILES FROM TORONTO'S CITY HALL

One thousand large trees never before tapped. Latest process of evaporation. Just maple sap evaporated down to maple syrup. Clean tin utensils from start to finish. Guaranteed absolutely pure and clean.

Saturday was a bad day for sap and we only have twenty quarts for delivery to-day. To-morrow we may have a much better supply. The orders left with Michie's on Saturday will keep the trees busy for three days, and as a consequence we have had to raise the price to a Dollar a Quart Bottle, or Four Dollars a Gallon Tin. But it is worth it, as anyone who bought any of the seventy odd bottles sold on Saturday will testify.

Order from Michie & Co., 7 King Street West.

PALM SUNDAY IN TORONTO SPECIAL CHURCH SERVICES

Archbishop Blesses Palms in St. Michael's—Sermon to Poles by German Priest.

The Roman Catholic churches of Toronto observed the special ritual laid down by the church for observance on Palm Sunday.

At St. Michael's Cathedral the morning service was conducted by the archbishop, who blessed the palms. The service of the Passion was read, and the procession of the palms took place.

Rev. Father Hugh Murray preached the sermon at night on "Forgiveness of Sin," and many palms were distributed.

Special services were also conducted at the Church of St. Mary's, Bathurst-street, by Vicar-General J. J. McCann. The service was in every respect similar to that observed in Rome, and was the only one of its kind in Toronto. The service included the blessing of the palms; the procession of the palms; the service of the Passion; and the distribution of palms.

she writes: "For the past fourteen months I was nervous all the time, and became so run down I was unable to walk across the house without getting dizzy. My friends told me I looked like a living ghost and advised me to try Milburn's Heart and Nerve Pills. I got two boxes and within two weeks I had improved wonderfully and after finishing the fourth box I was completely cured. They are the greatest pills I ever used and I can recommend them to all sufferers."

YORK COUNTY AND SUBURBS

G. W. VERRALL NOMINATED
TO REDEEM WEST YORK

Addresses by Liberal Organizer
Inwood and Archie Campbell,
M.P., at Convention.

Weston, March 23.—(Special.)—After considerable urging, George W. Verrall of Weston, who was the opponent of Hon. J. W. St. John in the last provincial election in West York, was prevailed upon to again enter the lists at the mass meeting of Liberals, held in Eagle Hall this afternoon, to nominate a candidate for the riding. The meeting was attended by about 100 delegates, representing all parts of the constituency.

Those who retired after being nominated were: A. J. Anderson, Joseph Watson, J. M. Garthouse, F. C. Inwood, William Cruickshank, John Garthouse, Alexander Hain and Dr. McLean. There was unanimity in agreeing upon Mr. Verrall as standard-bearer, but he at first declined to accept the honor. A committee was then appointed to press the matter, and he was finally won over.

Addresses were given by Liberal Organizer Inwood and Archie Campbell, M.P.

Reluctant Candidate.
In accepting the nomination Mr. Verrall declared that it was only with the greatest reluctance on the ground of ill-health that this consent had been given.

Organizer Inwood declared that with perfect organization West York would be redeemed, a statement which greatly cheered the hearts of the Liberals present. He declared that every good movement during the past 25 years along legislative lines had emanated from the Liberal party. The succession duties, which were vigorously denounced by the Conservatives, were now accepted as a matter of course by their own. They had opposed the Temiskaming Railway and denounced the loan of \$2,000,000 for the construction of the railway, every dollar of which had been repaid. The Liberal party were coming back to power within a short time, possibly at the next election.

Reverting to the license question he declared that the department was the "bed of graft." Flavell and his associates, men of honor, were forced out because they would not descend to the depths required.

"When I was on the license board," said the speaker, "we had no less than 15 charges of infraction of the law against this man Courtney, but the minister of education refused to prosecute him. He was a man of honor, and he was forced out because they would not descend to the depths required."

Will Be Redeemed.
Archie Campbell, declared that West York could and would be redeemed, and urged the delegates to renewed efforts. The meeting broke up with cheers for the Hon. Mr. Graham and the candidate.

George W. Verrall, the candidate, is the head of the Verrall Transfer Co., a large land owner residing at Weston and is personally popular.

Toronto Junction.
The funeral of the late Reuben Armstrong, ex-Mayor of Toronto Junction, was held on Saturday afternoon from 288 College-street, Toronto, at 2 o'clock. The service was conducted by Rev. Dr. Cleaver, and there was a large attendance from Toronto Junction and the surrounding districts.

Rev. Dr. Cleaver preached an able sermon on the inspiration of captivity. Joseph, who was imprisoned for being faithful to God; Peter, when apprehended by Herod and afterward miraculously delivered; the wonderful revelation to John on the Isle of Patmos; the marvelous allegory by John Bunyan in Bedford Jail; the great epic of "Paradise Lost," written by Milton, who was the captive of blindness and imprisoned from the light through his wife, and in a series of incidents of his life, Biblical, medieval and modern, showed that there never was any imprisonment of the soul when God was present with the captive.

The beautiful organ prelude, "Quiesce Homo," from the Stabat Mater, fully manifested that Prof. Torrington had lost none of the magic power of feeling which he can so impart to the expression of the finest organ in Ontario, and the beautiful anthem, "O My Soul" (Gounod), by the high-voiced choir, and that grand solo by Remick, "Rock of Ages," marked the service as one which appealed to all the finer sensibilities of the soul.

Hundreds of music-loving people lingered after the service to listen to the beautiful flights of harmonious melody of the organ postlude, a Sonata from Mendelssohn, and the rehearsal of the choir of eighty-seven voices, conducted by Prof. Torrington, appeared to have a special charm for many who came in with the air of old habitués who make a practice of thus enjoying every Sunday night a musical treat of the highest order.

"RESOLUTE" VICTIM FOUND.
Body of Thomas Topping Picked Up in the Bay.

What is supposed to be the body of Thomas Topping of Deseronto, the second engineer of the ill-fated barge Resolute which went down at the western end of Lake Huron, was picked up in Toronto Bay by Capt. Kingston of the tug Roy Mack yesterday afternoon.

The Roy Mack was breaking ice in the bay at the foot of John-street, when the captain noticed the corpse imbedded in the ice. He put for the foot of John-street and telephoned for the ambulance. The corpse was taken to the morgue.

Although the features are scarcely discernible, Michael Haney, the mate of the Resolute, is satisfied that the corpse is that of Topping, as is also Thomas Barrett of Toronto Junction.
