His wife their bosses him until a baby comes along, and then the baby bosses the whole family.

Freekles are not so bad. It is said that one girl does not object to seeing them on another girl's face. The Sultan has 4,000 servants; and yet we dare say when the furnace fire won't work the Sultana tells him it is the hired girl's night out, and he has to go shining around in the cellar to warm up the harem again.
