HAD DYSPEPSIA

So Bad Could Not Take a Drink of Water Without Suffering.

Dyspepsia is one of the most difficult diseases of the stomach there is to cure. You eat too much. Drink too much. Use too much tobacco. You make the stomach work overtime. You make it perform more than it should be called on to do. The natural result is that it is going to rebel against you. It is only a matter of a short time before dyspepsia follows.

That old, forty year old remedy, Burdock Blood Bitters, will cure the dyspepsia and will cure it to stay cured as we can prove by the thousands of testimonials we have received from time to time.

Miss Sarah McRae, Newfield, Ont., writes: "I write to say that I have used your Burdock Blood Bitters, and have found it the best remedy I have ever used for dyspepsia. Two years ago, I had stomach trouble so bad that I could not even take a drink of water without suffering. I took six bottles of B.B.B., and have been entirely cured, and can now eat anything without any bad effects."

Burdock Blood Bitters is an old and well tried remedy but on account of the many substitutes we would ask you to make sure that our name appears on both the label and wrapper as this preparation is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

ANNUAL REPORT SHOWS

BANK OF B. N. A. IN SPLENDID POSITION

Cash Assets of \$10,600,000. Double Amount Reported in 1914—Donations of \$25,000 to Patriotic Funds—Usual Dividend.

Elsewhere in this issue we publish the 19th annual statement of the Bank of British North America, presented to the shareholders at the annual general meeting, which took place at the head office of the bank in London, on March 2, 1915.

An examination of the figures reveals a position of unusual strength, the cash assets amounting to \$10,600,000, which is just twice as much as reported on the statement a year ago, and equal to 64 per cent. of the bank's immediate liabilities. A position of such strength cannot fail to command the confidence of depositors, and it is not surprising to find that, despite the stress of the present times, the deposits have increased by upwards of \$4,000,000.

Current loans in Canada show a decrease, but so slight that it is evident that the requirements of borrowing customers have received every consideration, despite the shortening of the bank's loanable resources by its greatly increased cash reserves.

The bank's policy for some time past has been one of restraint, and while loans to customers for the legitimate needs of their business have not been curtailed, business of a speculative character has been discouraged. The outbreak of the war, therefore, found the bank unusually well prepared to meet the situation.

Net profits, which stand at \$646,000, are naturally less than in 1914, but the eight per cent. dividend has been maintained. Generous grants have been made to the various funds for the benefit of the staff, while donations approximating \$25,000 have been made to the Canadian patriotic and Red Cross funds.

In the defence of the empire, the staff of the Bank of British North America as well as the front staff, 15 per cent. being at present on active service.

FIVE PER CENT WAR TAX

What it Adds to the Cost of a Suit of Clothes.

Should you buy a suit this year from cloth imported since February 19th, you will pay from 19 to 60 cents to the cost of buying the material in the country. The war tax on British woollens is 5 per cent, and cloth costs from four to twelve shillings a yard. On three-dollar material the total war duties on a suit length would be \$7.12.

On the Semi-ready clothes for this summer this tax will not be felt, as all the cloth for these is made in the United States and was ordered last fall, and the garments were being tailored in January and February. With the duties on other materials imported for high-class suitings the addition on a good suit of clothes will average about a dollar.

This cost will be hard to absorb where clothes are taken for a station, and formerly with the price in the pocket," as is the case with genuine King's Own Serge Suits are still \$30—and I have all the new spring styles at the same price in the pocket.

RECENT WEDDINGS
The wedding of Miss Jessie Murdoch, daughter of City Engineer William Murdoch, and Mrs. Murdoch, to Ronald McKay Carson, took place on Saturday, April 10, at the residence of the bride's parents, Mr. and Mrs. J. P. Condon, in the Semi-ready Store, 54 King Street.

McCharles-McGrath
At the home of Mrs. J. Rogers, Moncton, April 7, her daughter Mrs. Rachel E. McGrath was united in marriage to A. R. McCharles.

Winnipeg, last Wednesday, Miss Emma Cochrane, second daughter of Mr. and Mrs. Geo. Cochrane, of Vancouver, formerly of Moncton, was married to Albert A. Fowles of Moncton. After spending a few days in St. Paul, Chicago and Boston, they will proceed to Sydney.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Noddy Will Know

Gray hair, however handsome, denotes advancing age. We also know of no advantage of a youthful appearance. Your hair is your charm. It makes or mars the face. When it grays, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance and restores its natural color.

Don't stay gray! Look young! Either use the tonic at home or get from any drug store a fifty cent bottle of "Wyett's Sage and Sulphur Hair Remedy." Thousands of folks recommended this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one section at a time, every morning the gray hair disappears; after another application or two, its natural color returns, and you appear years younger.

MORNING NEWS OVER THE WIRES

In the house in Ottawa on Saturday, Deputy Speaker Severy made denial of the Liberal charges that he had urged payment of an account of his sister's for drug supplies furnished Valcartier camp and said that he had never seen the drug bill in question. He admitted, however, that he had put her on the patronage list so that she could get the contract; and that he had urged the payment of another bill due her.

FAIRVILLE CHURCHES ON LIQUOR QUESTION

In the Fairville Baptist church the sixteen young people to whom baptism had been administered on Easter Sunday, were formally admitted into full church membership and extended the right hand of fellowship by Rev. P. R. Hayward last evening. Six other candidates were also admitted by letter, making twenty-two new members.

Mr. Hayward says that some of his congregation had written the legislators at Fredericton urging the temperance cause and he called upon all others to do likewise. The church has already voted publicly on the question.

While he had seen the king's uniform disgraced by members of the legislature now training here, he said that no finer lot of men had ever been gotten together than the 26th as a whole and he blamed abnormal conditions and the un-keeper more than the soldier who had given way to excess. The uniform made the soldier a marked man and his patriotic grasping attitude of the saloon keeper more than the soldier who had given way to excess. The uniform made the soldier a marked man and his patriotic grasping attitude of the saloon keeper more than the soldier who had given way to excess.

In the Fairville Methodist church last evening a strong temperance sermon bearing on recent events, was preached by Rev. Gilbert Earle. He referred to the great reform in prohibiting vodka in Russia, abstine in France, also Sarsaparilla in the government and the liquor question and urged his congregation to send personal letters to their representatives in the government at Fredericton urging that New Brunswick follow a similar course at least during the war.

Mr. Earle said that only one intimate acquaintance with England and English social conditions could appreciate the far reaching effects on the public of the attitude of H. M. the King, Earl Kitchener and members of the British cabinet in doing away with personal use of liquor.

COULD NOT GO TEN STEPS FOR THE PAIN IN HIS KIDNEYS.

When you get a pain in the back you may rest assured that it comes from degeneration of the kidneys, for were there not something wrong with the kidneys the back should be strong and well.

Doan's Kidney Pills regulate the kidneys, and there is no further cause for any kidney trouble to exist. What more needs to be said? While Doan's Kidney Pills are not a "balm for every ill that flesh is heir to," they are a positive, never-failing remedy for every disease that has its inception in the improper action in those delicate little filters of the blood, the kidneys.

Mr. Adelard Clowry, Esquaville, Ont., writes: "I was troubled with my kidneys for four years. They were so bad, at times, I could not go ten steps for the pain they caused me. My doctor could not do me any good. A friend advised me to use Doan's Kidney Pills. I bought five boxes, and now I have been cured for over three years. I will recommend them to whoever may be suffering from kidney trouble."

Doan's Kidney Pills are 50c per box; 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."
