DARING BREAK IN NORTH END

Warehouse Entered and Nineteen Cases Liquor Stolen.

A daring burglary was perpetrated last Saturday night when a warehouse of W. George, Ltd., on Main street, was broken into and nineteen cases of liquor stolen. The burglars forced a cellar door and then, after forcing a number of holes in the floor above, broke out a section of the floor large enough to permit one of their number to crawl through. The liquor was stored in a room adjoining where the entry had been made and before reaching it another lock was forced. The burglars removed the entire contents of the room, which were valued at nearly \$600. It is said they had an automobile outside, and after forcing an entry placed the stolen goods in it and drove off.

FINE SHOWING IN TAX COLLECTIONS

Citizens of the parish of Simonds are justly proud of the excellent showing which has been made in the collection of taxes during the year. Although the warrant amounted to \$15,935, more than \$17,100 was collected, including more than \$1,000 of arrears. The tax collector, Joseph Poole, who has just completed his first year on the job, has been congratulated on the fine showing made.

FINED \$200

Frank Hoffman, charged with having liquor in his possession illegally on Saturday, pleaded guilty in the police court today. Inspectors Journey, Henderson, and Killen were sworn when J. A. Barry, counsel for Hoffman, said that he had just discovered that the house where the liquor was could not technically be known as a private dwelling and therefore the defendant had decided to change the plea to guilty. There had been a previous conviction against the house according to what was said by one of the inspectors. W. M. Ryan appeared for the prosecution. A fine of \$200 or six months in jail was imposed. His Honor gave a warning that all criminal cases which he dealt with would get the limit.

TELLS OF SALE OF REVOLVER

Further Evidence in Alleged Attempted Murder Case—Over Until Friday.

The preliminary hearing of the case against William Parry, charged with attempting to murder Nathan I. Jacobson, was resumed this morning. Policeman McElhinney told of the accused giving himself up at the central station saying that he was the man they were looking for. The police had been down to the house so he had come to give himself up and to get it over with. He was searched by the witness and night deskman Thomas but nothing of importance found on him. On the way down stairs to the lockup, witness said, he asked the prisoner what the warrant was on which he had been charged. He replied that he had gone into Jacobson's other night and held up the old man. His intentions were good, he said, but his heart failed him. On cross-examination he repeated that the accused told him he had held up Mr. Jacobson and not that he was charged with holding up Mr. Jacobson. The prisoner had not told him what house "they" had been down to.

Joseph Gilbert testified that he worked in the store of his father, J. Harris Gilbert, on Mill street. He read from an entry in a book that he had bought a .32 calibre revolver on January 8 for \$8. The man gave him his name as William Parry and his address as 150 Duke street, W. B. It was similar to the one in court, he said. The magistrate asked the witness if he had questioned the man as to where he got the revolver and on receiving the answer, "no," he warned the witness that this business with revolvers would have to be looked into. Continuing, Mr. Gilbert told of giving the revolver to Detective Dunahue. He identified the prisoner as the man who had sold him the revolver. The case was postponed until Friday morning at 10.30 o'clock.

DONATES SET OF SKATING MEDALS

The interest that is being manifested in other parts of Canada in the Canadian and American championships, which are to be held on Lily Lake on January 18 and 19, under the auspices of the Y. M. C. I. of Montreal, informed the committee of charge that he would donate a set of medals for the speed events. Mr. McCaffrey read about the sports while he was in Western Canada. Mr. McCaffrey is superintendent of the Canada Steamship Ocean Service and is at present on duty on business in connection with his line.

NOTABLE DAY FOR HOLY NAME SOCIETY

Annual Meeting on Sunday—Cathedral to Have Fraternity of Blessed Sacrament.

Sunday was a notable day for the Holy Name Society of the Cathedral of the Immaculate Conception. First, there was an exceptionally large attendance of the members at Holy Communion at the cathedral at 8 o'clock mass. Then in the afternoon the annual meeting was held in the auditorium of the Y. M. C. I. McDonald, in the chair. Reports on membership and on other phases of the life of the society were received. It was shown that there were 893 members on the roll. The election of officers resulted in the return of Mr. McDonald as president; J. J. Walsh as secretary, and William C. Walsh as treasurer. Short addresses were given by each, as well as by John J. Coughlan, who has been the treasurer for some years. It was decided to hold general meetings on the second Sunday of January, April and October in each year, in addition to the monthly meetings of the executive.

A pleasing feature yesterday was the presentation of a substantial purse to Rev. W. M. Duke, chaplain of the society. Mr. McDonald did this nicely, and Father Duke responded in a deeply interesting address in which he mingled congratulations to the society on its work and on the growth of numbers at the monthly Holy Communion; words of encouragement for the future and announcement of further plans for enlargement of the scope of the organization, together with relation of striking incidents of the benefits accruing to the membership and of the influence of the society for good.

Among other things, Father Duke said he had ordered a banner for the society and had hoped to have it for yesterday, but it would be here for the next Communion Sunday. He also announced plans, in which the Holy Name men would be a factor, for establishing the Confraternity of the Blessed Sacrament in the Cathedral parish. This has been in existence in the Church for some centuries. It is already established in Holy Trinity parish here. Many graces, he said, came to its members, and the obligations were simple. It is planned to have the confraternity established on next Sunday in the Cathedral.
