## If You Pay Income Taxes—

Then you ought to read our booklet "The Income Tax and the Average Man."

The chances are you are paying taxes on more income than you need.

If you are paying interest on certain kinds of debts or mortgages, for instance.

Call in and get the booklet, or send for a copy to-day. You don't have to read it all, because an index tells you just where to find the page that deals with your income.
