AYER'S

CHERRY

PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and

Hoarseness.

Beverly, Mass., Nov. Dec. 1856.

Dr. J. C. AYER, I do hereby certify that the best remedy I have ever used for Coughs, Hoarseness, and the concomitant symptoms of a Cold, is your Cherry Pectoral.

For the last two years I have used it to procure a permanent cure for the treatment of these complaints.

KEENE KNIGHT, M. D.

A. B. MORTLEY, Esq., of New York, writes: "I have used your Cherry Pectoral in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

Beverly, Mass., Feb. 7, 1857.

Dr. J. C. AYER: I will cheerfully certify your Cherry Pectoral to be the best remedy I have ever used for Coughs, Croup, and the concomitant symptoms of a Cold, in its various forms of consumption, and to now curing a man who has labored under an affection of the lungs for the last five years.

HENRY L. FAIRBANKS, M. D.

ANOS LEE, Esq., of Montreal, writes, 2d Jan. 1857: "I had a tedious influenza, which continued me in distress all week. I had many remedies without relief, finally tried your Cherry Pectoral by the advice of my physician. The first dose relieved the distress in my throat and lungs; less than one half the bottle made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your medicine, as the poor man's friend."

Asthma or Phtisis, and Bronchitis.

Wear MAINE, Pa., Feb. 4, 1857.

Sir: Your Cherry Pectoral is performing marvelous cures in this section. It has relieved several from distressing symptoms of consumption, and to now curing a man who has labored under an affection of the lungs for the last five years.

A. A. RANNEY, M. D., of New York, writes, Sept. 6, 1856: "During my practice of many years I have found nothing so useful to your Cherry Pectoral for giving ease and relief to 'consumptive' cases, or curing such as are curable."

We add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some non-human and some human, but even in those the Cherry Pectoral affords relief and comfort.

APRIL, 1857, New York City, March 5, 1857.

Dr. J. C. AYER: I feel it a duty and a pleasure to inform you that your Cherry Pectoral has done for my wife, who had been five months laboring under the dangerous symptoms of consumption, what no other remedy could do. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, who has recovered from that day. She is not yet as strong as she was, but she is now well, and she is now well.

Yours, with gratitude and respect,

W. H. GILBERT, of St. Louis.

Consumption, do not despair! you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cure all round on beyond the high merits of its virtues.

Ayer's Cathartic Pills.

THE science of Chemistry and Medicine have been taxed to their utmost to produce this best and most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtue while surplus to relieve the ordinary ailments, and that they will speedily remove the system of all men. They are safe and pleasant to take, and powerful in their action. Their purgative properties stimulate the vital activity of the body, remove the obstructions of the organs, purify the blood, and restore the system. They are not only a powerful purgative, but they are also a powerful tonic, and they are also a powerful stimulant. They are not only a powerful purgative, but they are also a powerful tonic, and they are also a powerful stimulant. They are not only a powerful purgative, but they are also a powerful tonic, and they are also a powerful stimulant.

AYER'S

PILLS.

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

There has long existed a public demand for an effective purgative pill which could be relied on as safe and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown that what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. The several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Langour and Loss of Appetite, Lethargy, Irritability, Bilious Headache, Fevers, Fever and Ague, Pain in the Side and Lungs; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient, the effect is prompt and sure relief in Constipation, Flatulency, Languor, and Scour, Scour and Scour, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

These Pills have produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Pimples of the Face, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary doses should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a purgative is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed that this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

AYER'S PILLS.

A new and singularly successful remedy for the cure of all Bilious Diseases—Constipation, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Indigestion, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, &c., &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but efficient Cathartic were more freely used. No person can feel well while a cloying habit of body prevails; besides it
