Parks' Cotton Yarns!

Awarded the Only Medal Given at the

Centennial Exhibition

For Cotton Yarns of Canadian Manufacture

No. 5's to 10's.

WHITE, BLUE, RED, ORANGE and GREEN.

Made of Good American Cotton with great care

Correctly numbered and Warranted Full

Length and Weight.

We would ask the purchasers of Cotton Yarn

to remember that our Yarn is spun on the

Ring Frames, which make a stronger yarn than the

Twisting Frames, used in making American yarn.

It is also better twisted and more carefully reeled

each hank being tied up in 7 leas of 120

yards each. This makes it much more easy to

wind than when it is put up without leas—the

American is—and also saves a great deal of

waste.

Those acquainted with weaving will understand

the great advantage it is to them to use yarn put

up in this manner.

COTTON CARPET WARP,

Made of No. 10 Yarn, 4-Ply Twisted.

WHITE, RED BROWN, SLATE, &c.

All fast colors.

Each 5 lb bundle contains 10,000 yards in

length and will make a length of carpet in pro-
portion to the number of ends in width.

We have put our twist in this warp than it

formerly had, and it will now make a more dur-
able Carpet than can be made with any other ma-
terial. Since its introduction by us, a few years

ago, it has come into very general use throughout
the country.

All our goods have our name and address upon

them. None others are genuine.
