#### **Cotton's Indebtedness**

On January 31st last Cotton's owed \$1,910.22 general accounts, and \$1,088,65 to the landlord and editor for rent and back salary, a total of \$2,998.87. A Home Cure Given by One Who Had It

A Home Cure Given by One Who Had It In the opring of 1863 I was at tacked by muscular and inflamma-tory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doc-tor, but such relief as I received was only temporary. Finally. I found a remedy that cured me com-pletely, and it has never returned. I have given it to a number who were terribly afflicted and even bed-ridden with Rheumatism, and it effected a cure in every case. I want every sufferer from any form of rheumatic troible to try this marvelous healing power. Don't end a cent : simply mail your name and address and I will send it ned to the serve it is be that long-looked-for mesus of curing your Rheumatism, you may send the price of it, one dollar, but, un-derstand, I do not want your mon-ey unless you are perfectly atte-fied to send it. Isn't that fair Why suffer any longer when posifor rent and back salary, a total of \$2,998.87. On Nov. 21st our general lia-bilities were \$1,435.14, and we owed \$350 to the Dominon Executive Com-mittee S.D.P. advanced us, \$695.02 to your landlord-editor, and \$200.00 other debts, a total of \$2,698.15. Of the \$1,435.14 debts, \$750 is a consolidated note in bank for past debts, coming due Dec. 23rd, \$360.39 paper bills coming due Dec. 2ad, \$145 balance of payments on the big press and \$169.75 current accounts. If the party passes the referendum to assess themselves 50 cents per member to pay off Cotton's debts the current liabilities will be more than wiped out.

current liabilities will be more than wiped out. In the meantime these debts press hard upon us. We have to meet our paper bills. They cannot be put off, and we have \$4.19 to our credit in the bank at the present time (Nov. 21st). We need \$500 at once, as the capi-talist class want the money we owe them, and would be quite pleased to see Cotton's go to the wall. The plant at Cotton's Weekly owned by the company and your editor is worth \$10,000, and there is not a cent of mortgage against it, save the \$145 lien still on the big press, bal-ance of purchase price.
