## January Sale OF Satisfactory Overcoats.

Quite a number of men imagine still that they cannot obtain satisfactory overcoats unless they have them made to measure. Of course many will always prefer custom made, but we have convinced hundreds of gentlemen that they can be correctly fitted and pleased with our Ready-to-wear Overcoats at a considerable saving—in fact, during this sale at almost nominal prices—and the coats are well tailored, too.

OVERCOATS now priced \$5.90, \$7.90, \$9.90—that sold at \$10 to \$15. Other overcoats are priced \$9.90, \$12, \$13.50, some of which sold up to \$18. Take advantage of the sale, it is not good policy to be wearing a shabby coat especially when a new one costs so little.

### DO ALL MERCHANTS REALIZE THE IMPORTANCE OF ADEQUATE SPACE FOR THEIR ANNOUNCEMENTS?

IN A BATTLE  
NOT MORE THAN  
ONE IN A HUNDRED  
RIFLE SHOTS IS  
EFFECTIVE  
THE OTHER NINETY-  
NINE BULLETS  
"FIND THEIR  
BILLET," OF  
COURSE; BUT  
THEY DO NOT  
REACH HUMAN  
TARGETS.  
BUT WITH THE  
ARTILLERY—THAT  
IS A DIFFERENT  
STORY. THE BIG  
TWELVE-POUND GUNS  
DO NOT ALWAYS FIND  
THEIR MARKS; BUT  
IF THE GUNNERS HAVE  
FOUND THE RANGE  
THE MAJORITY OF  
SHELLS DO DEADLY  
WORK—EITHER IN  
WIPING OUT WHOLE  
COLONIES OF MEN; IN  
DESTROYING OPPOSING  
ARTILLERY, OR IN  
DEMORALIZING THE  
ENEMY.

### THE MORAL FORCE OF A "BIG AD ADVERTISEMENT" IS AS GREAT AS THAT OF A "BIG GUN."

A "Company" of soldiers may be adequately armed for ordinary service with rifles only—if the rifles are modern and of long range.

A regiment, if operating independently in active service, must needs have at least a few "field guns," perhaps some breech-loading, rapid-fire "three-pounders."

A Brigade, isolated from its base, must carry at least a small Artillery Corps, equipped with field guns large enough to "pound" a fortified enemy, or to cover either an offensive movement or a retreat.

An Army Division, in hostile country, can move only as fast as its "big guns" can be transported; for the big guns are the "mated pair" of a Major-General. Without them he is partially disarmed; losing any of them to the enemy is counted to be a humiliating reverse, apt to nullify a whole plan of campaign.

"BIG STORES" MUST BE EQUIPPED WITH "ADVERTISING ARTILLERY," OF LONG RANGE; AND QUICK-FIRING.

The little store, like the company of soldiers, may get along with little ads, if they are placed in "long range" mediums.

A "bigger store," like a regiment, must have some display space—some field guns, for offence and defence.

A "still-bigger-store," like a Brigade, must carry "bigger guns," must expand its display advertising from shelves into columns.

A really "BIG" store, like an Army Division, must carry the "biggest guns," must use whole pages for "broadside," and must make its advertising its "mated pair" for competition, and its "glorious hand" for patrons.

Dear Sir,

### Sporting News.

The intermediate game last evening between St. James and Neptunes ended in a victory for St. James by a score of 2 to 1. The teams lined up as follows, with E. Mooney as referee.

Neptunes.	St. James.
Ellis.....	Miller
W. Rising.....	Thompson
Fowler.....	Cover
P. Rising (Capt.).....	Murray (Capt.)
Collins.....	Dunlap
Clinch.....	Charlton
Barnaby.....	Baxter

The Neptunes secured the puck at the start and rushed to the St. James end. Their defence returned and the game shifted to the other end. Fine work was being done by Barnaby and Collins for Neptunes and Dunlap and Murray were playing St. James' game. Near the middle of the half Charlton rushed and shot. This was blocked, but in the mix-up Dunlap put in St. James' tally. Neptunes brightened up, but during the rest of the half could make no score. The boys in red and white were excelling their opponents in combination work, but St. James were individually playing a harder game.

In the second half Neptunes were playing harder and faster. The game was generally in St. James' territory, and at length Collins made a long shot from the side and scored. Shortly after this the puck went through the church boys' net, but the goal judge did not notice it, and the score did not count. Will Rising, playing point in place of his brother, who went forward to fill Jettie's place, was rushing hard; Barnaby was the star man on Neptunes' end, and his rushes should have counted for more. Collins was fighting hard for his team and his work was very fast. Charlton, who had been hurt early in the half, was not playing as well as usual, but the other St. James forwards were playing a fine game. Miller in goal was a stone wall, and he saved St. James several times. At the conclusion of the play the score was 1 all. An agreement was made to play for five minutes overtime. Within three minutes St. James had scored by a pass out from behind goal. Dunlap jerked it out, and Baxter planted it in the net.

The game was fast throughout and a little rough, but it was as good intermediate hockey as has been seen here this season. St. James follows up hard, but they haven't got the combination as well as Neptunes. The latter have suffered two defeats, but a slight change in the line up may make them give the leaders a battle. Their left wing man, Clinch, did not play hard nor fast enough. Capt. Rising was not in his usual position, and showed the effects of the change in the opening half. However, he played a swift game when he got used to his position.

The league now stands:  
St. James..... 2 2 0 1000  
Y. M. C. A. .... 2 2 0 1000  
Neptunes..... 2 0 2 000  
Rambler..... 2 0 2 000

**LADIES' HOCKEY.**  
The ladies' hockey teams had a second game in the Queen's rink yesterday afternoon, and the Mohawks defeated the Neptunes 1 to 0.

### CITY CHURCHES

### Result of Annual Meetings Held Last Night.

St. John Presbyterian church last evening chose the following trustees: C. H. Dolg, J. V. Russell, J. C. Henderson, W. J. Parks, M. Morrison, J. H. Crockett, E. J. Armstrong, H. H. Burns, W. S. A hundred men—among those who read this—are earning less money than they could earn if they had "better-fitting" positions. You and the other ninety-nine may be holding these better jobs by this time next week if you take the hint and advertise promptly.

Ungar's Wardrobe department is a useful thing. Pay one dollar per month and have your clothes pressed.

In olden times, before the days of the Help Wanted ads, a sage wrote: "God sends us meat, but the devil sends us cooks." But the want ads, have compelled his Satanic majesty to abandon the employment agency end of his business, both in the matter of cooks and in that of "finding work for idle hands to do."

How neat he looks! He must be a customer of Ungar's wardrobe department. They press clothes for \$1.00 per month.

### IS ALSO RICH.

Sir William C. Macdonald's Long Absent Brother.

Sir William C. Macdonald, Canada's wealthy tobacco manufacturer, has just recently learned of a long absent brother, James, who, it turns out, is likewise a man of money. James left the old homestead in Prince Edward Island some fifty years ago and has ever since been in Oregon, U. S. The surprise of the two brothers may be imagined when they learned that each was very wealthy, in fact a millionaire. James, in a letter which he wrote not long ago to his relative in P. E. Island, said that he had heard that brother William was in the tobacco business in Canada, but supposed he had not been able to make much of a living at it. Sir William, doubtless, had a similar idea of his brother's success.

### STILL ANOTHER CASE.

The New System Treatment, Anti-Pill, continues to work wonderful cures.

When Dr. Leonard, of Lincoln, Neb., gave Anti-Pill to the world he had unbounded faith in the treatment, but he did not foresee the world-wide and wonderful results it was now achieving in the cure of disease.

Here is the story of another Anti-Pill victory.

"For many months I have been troubled with dyspepsia, dizziness in my head, cold chills, and suffered most of the time from constipation, and was unable to do my housework. I tried every kind of pill and medicine that either the doctors or myself could think of, and finally tried Anti-Pill. This treatment has practically made a new woman of me. I am able to do all my own work. The dizziness has all gone, my stomach feels much better, and I am no longer troubled with constipation. I cannot praise Anti-Pill too highly."—Mrs. Thos. Tabb, 287 Emerald Street North, Hamilton, Ont.

Mrs. Tabb's letter is only one of many. Anti-Pill is sold by all druggists at 50c, or The Wylie-Fyle Co., Limited, Niagara Falls, Ont. Sole agents for Canada.

She is Still Suffering in the Cleveland Jail.

CLEVELAND, Jan. 18.—Two physicians were called to see Mrs. Cassie L. Chadwick in jail today. She is said to be suffering from physical and mental collapse. Attorney Dawley says she is afflicted with heart trouble and would not be able to stand a trial in court in her present condition. Mrs. Chadwick is said to have frequent fainting spells.

Lyne announced that Mr. Carnegie had decided to reimburse the losers by the failure of the Oberlin Bank, has seemed to greatly affect Mrs. Chadwick.

Dr. Chadwick called at the jail today and spent half an hour in conversation with his wife. He admitted to the jail officials that he thought her a very sick woman. He asked to be notified immediately if there should be any dangerous symptoms in her illness. Dr. Chadwick did not call on his wife in twelve days.
