## THE GRANITE TOWN GREETINGS

### Announcement

#### For Fall and Winter 1908-09

We don't want to talk politics and promise golden mountains, we can promise you that, but no one can give it to you. We will talk business, something you can realize and understand. We have made great preparations this fall: we did our buying carefully and in different places to give you variety in every line—particularly in Ladies, Misses and Children's Coats—the best and cheapest. The same in Fall dress skirts and all ready-to-wear garments.

Great selection in dress goods, French flannels and flannellettes and all kinds of wooten goods and cottons. A splendid assortment of furs—up-to-date and very cheap.

In our Millinery Department we engaged Miss L. M. Phinney of Middlebury, N. S., a milliner of long experience, very tasteful and anxious to please everybody.

Come to our store and inspect our stock even if you don't buy. When you see our stock you will be convinced that you cannot do better elsewhere.

Remember that our shoe line is more suitable for foot than any other because we know what you want for your money.

### Nomination at St. Andrews

Hundreds of Representative Citizens Listen to a Masterly Speech by W. F. Todd

G. W. Ganong indulges in his Usual Tirade of Slander and Craft.

Nomination proceedings at St. Andrews attracted a large number of electors from all over the County. The nomination of W. F. Todd was made by Henry E. Hill, Robt. W. Dinsmore, Fred E. Rose, Jas. Egan, Fred E. Hill, George Robinson, S. E. Mills, John H. White, Peter F. McKenna, Clifford Hanley and 500 others. Speeches by the candidates were made in Amherst hall. John D. Chipman presided most acceptably and the crowd was quiet and orderly.

The candidates spoke one hour and a quarter each, with ten minutes each to close. Mr. Ganong spoke first, dealing in the old story of graft and slander. He laid no policy to put before the electors of Charlotte. He claimed the success of the Liberal party and the prosperity of the County was due to the Conservatives. It was very evident that his speech was a bitter disappointment to his followers present, as it failed in its purpose and did not arouse any enthusiasm whatever.

Mr. Todd received with the wildest demonstrations and his speech will ever be remembered as one of the ablest presentations of a case that has ever been heard at any nomination proceedings held in this County. Mr. Todd's reply to the Conservative candidates' arguments were most pointed and convincing and as he scored heavily against his opponent the large hall shook with applause. He fluently discussed the policy of the government and his remarks on the aid Charlotte County had received for wharves, breakwaters and dredging were listened to with much attention.

He reviewed the political situation and the present administration. He spoke of the two previous elections when he was before the people and the government was returned with overwhelming majorities and he felt confident, with the Conservatives with no policy to offer, except baseless charges of graft which they were afraid to make on the floors of the house, the government would again go into power with a large majority. It was to the interest of Charlotte County to send a representative to Ottawa in accord with the policy of the government, that every interest would receive and get the recognition this fair County deserved.

Mr. Ganong spoke again for ten minutes, and was evidently in a very excited state of mind, as his remarks were of a nature that would not make very good family reading. Mr. Todd was content to leave his case with the people and felt sure that the verdict would be a favorable one for the Liberal Government of Canada. The proceedings closed with an ovation for Mr. Todd, the equal of which has never been witnessed in the County of Charlotte.

A Wisconsin physician, Dr. Shoop, does this with his Rheumatic Remedy—and with seeming success. Rub-on's says the doctor, never did cure Rheumatism. It is more than skin deep it is constitutional, always. Because of this principle, Dr. Shoop's Rheumatic Remedy is perhaps the most popular in existence. It goes by word of mouth from one to another, everywhere. Grateful patients gladly spread results. It is an act of humanity, to tell the sick of a way to health. Tell some sick one. Sold by All Dealers.

Appropriations amounting to \$70,000 for Charlotte. Did Ganong get them? Did we ever get anything during Conservative rule?

### Coughs of Children

Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says.

If you think consumption is of trifling consequence, just ask your doctor. He will dissuade you of that notion in short order. "Correct it, at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.
