THE HOME THE WORLD

Here are Related Facts and Fancies Concerning the Activities of Individuals and Organizations, the Home, Fashions and Other Matters.

WHEN NERVES TROUBLE. Dut had to go on winding until some thing in amachine and the nerve-threads and bodies of its operators is the constitution of Zayda Gloves, who tells in Everymoman's World just how to "loosen the tension."

She thinks, also, that the effect it accordance with the way to individuals varies it accordance with the way the individual meets and conquers the trials. "It was during a long illness," she says, "that Jeams to understand that ho body is realify a very delicate, complicated, nicely-balanced plees of machine, it he world could not go on without me, and my renetest fear was that is should break, down, or miss doing some small thing that would throw the whole world off of the dance, and life would—stop!

It did seem, when I was so 'wound to be the seem to understand that no machine proceed with any concerns the post of the property sets and the super section of the concerns the body. If we keep the mind on the strain—the one affects the other too closely—and it is necessary to recuse a first would throw the whole world off of balance, and life would—stop!

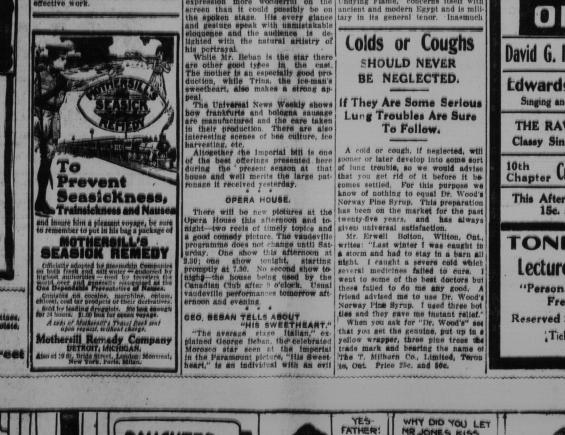

It did seem, when I was so 'wound to be a concerned to the concerns the mind as nearly blank as possible."
