THE SEMI-WEEKLY TELEGRAPH. ST. JOHN, N. B., WEDNESDAY, APRIL 19, 1911

manan FROM ALL OVER THE **MARITIME PROVINCES** mann

Saturday, April 15. The last week of Lent has been one of absolute social quiet. If hostesses were obliged to entertain they had as excuse the arrival or departure of friends whose time in the city was limited to a few days. Even then the manner of entertainment was unostentatious and in keeping with the spirit of Holy week. As a matter of fact the stores contained most of the social The spirit of Holy week. As a matter of the social for the successful organization. Mrs. James Doody first and second vice states of the social second vice states with shoppers mailed ago of the week, when the warm weather filed the strets with shoppers marky allo weak there is a social second vice states with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets with shoppers marky allo weak there is the strets weak to be allo weak there is the strets weak to be allowed to the kindward weak there is the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak to be allowed to the kindward to the strets weak tof the
