PIES WERE HIGH WHEN SOLD FOR SOLDIERS FUND

it must be Bouril

The sum of \$180 was realized for the patriotic fund last night at a pie social conducted in the hall at Loch Lomond. Pies sold at an average of \$4 per pie—some of them went for \$2 while others ran up as high as \$12 and \$12.50. Commission-er Potts officiated in knocking down the party, and the generous and good natured bidders went around all night in the jaunting pace when the cover, at the cakes were put up. Many people went from the city and the affair was an immense success.

The hall was made very attractive by a committee of women from the vicinity who inaugurated the event. At the opening Com. Potts addressed the gathering speaking of the object of the affair and the efforts of the women. The pies were then placed up and one after the other the home-made pastries were being handed down for five, ten, fifteen, eight, nine and ten dollars, etc. The bidders were enthusiastic and the affair was a complete success.

Com. Potts and those in the audience expressed much satisfaction at the brilliant success and the generosity of those who attended.

The meeting was called to order by Mayor Allan McDonald, who stated the purpose for which he leased the hall. The mayor was appointed temporary chairman and John Breunhan, secretary. Then were elected the permanent directors, consisting of L. B. Todd, president; C. E. Casey, secretary; J. W. Graham, treasurer. The Mayor called on Rev. Mr. Penwarden, who aroused great enthusiasm and was greeted with prolonged applause. He was followed by Mr. Dever, who exhorted all citizens to rally to the support of the fund. Among the others present, who expressed their approval of the object, were Mr. Dever, who exhorted all citizens to rally to the support of the fund. Among the others present, who expressed their approval of the object, were Mr. Dever, who exhorted all citizens to rally to the support of the fund.

A committee was appointed to arrange for a public meeting to be held Sunday, Sept. 20, for the purpose of assisting the permanent organization in the work of raising a fund, and it is expected a large attendance to be present. For the people of Milltown are determined to do all they possibly can to assist in this patriotic movement.

Rev. Father Doyle sent a communication to the mayor that he would be unable to attend the meeting, but was in perfect sympathy with the movement, and would assist in a material way to further the cause.

The mayor thanked the people for their prompt and generous response to the call, and appreciated the active part being taken for the interest of the fund. The Milltown band was in attendance, and rendered some very choice selections. The meeting closed with the hand playing 'God Save the King.'

GOOD RESULTS SECURED AT JORDAN MEMORIAL SANATORIUM.

A meeting of the commissioners of the Jordan Memorial Sanatorium was held in Moncton on Tuesday, Hon. J. L. Fleming presided and Dr. Townsend, superintendent of the sanatorium, acted as secretary. The others present were Ex-Governor McClellan, of Alberta; Hon. Dr. Landry, Hon. C. W. Robinson, Dr. A. F. McAvaney, St. John, and F. W. Sumner.

The party, with the exception of Mr. McClellan, motored to River Glade in Mr. Sumner's car, and a general inspection of the different buildings and grounds was made, everything being found to be in excellent shape. There are at present about twenty patients taking treatment at the sanatorium. Since the institution was opened some eighteen months ago, there have been a total of ninety patients treated, many of whom were cured, while a number of cases showed marked improvement.

The success along this line has been more than anticipated, considering the type of cases which were treated. For various reasons quite a number have stayed at the sanatorium only a short time, but in that period they were taught how to take proper care of themselves at home.

A call was sent in for the fire apparatus and the fire-fighters responded promptly. They worked hard and managed to confine the fire to the building. They had it under control in a very short time, and at 2.15 it was completely extinguished.

The blaze started in Davidson's store. He lost his entire stock, valued at \$8,500, upon which he has \$2,500 insurance. Black Bros. also had practically a complete loss estimated at \$6,000, and the extent of \$8,000. The damage to the building, which is a two-story brick structure, erected only a few years ago, is approximately \$200,000, partly covered by insurance. Mr. Fowler's furniture was also damaged to the extent of \$1,500, but this, it is said, is completely covered.

Harcourt, N. B., Sept. 16.—Mrs. N. V. Vradanich, who has been spending the summer with friends in Bass River, left this week on her return to Boston. She was accompanied by Mrs. Thomas Clark of Bass River, who will make an extended visit among friends and relatives in different parts of Massachusetts.

Mrs. S. M. Dunn returned on Thursday from Salmon River, where she has been spending the week with Mr. and Mrs. Melvin Dunn, at Pine Knoll camp. Mrs. James Lyons, Millerton, and Mrs. O. J. Bailey, in Moncton, are spending a few days with their mother, Mrs. Livingston, who has been quite ill, but is now improving.

Miss Ethel Watson, a student of MacDonald College, left last week to continue her studies at that institution.

Mrs. J. D. McKay and little granddaughter, who have been spending a pleasant visit of several months with Mr. and Mrs. D. D. Johnston, returned this week to St. John.

Oswald Macaulay, who has been enjoying a vacation of several weeks at his home in Main River, left on Thursday last on his return to Sackville.

Dr. and Mrs. H. G. Fairbanks spent several days of last week in St. John, attending the exhibition.

Campbellton, N. B., Sept. 12.—The project of having the young men from this county, now in camp at Vancartier preparing for the war, secured by an accident policy for \$1,000 by the county Council, is being advocated by leading citizens. Judge McLatchy has brought the matter before the county council in a letter to the warden of the Restigouche county, now in camp at Vancartier and decide upon a policy.

The foundation is being laid at the Richards mill for a modern burner for the refuse matter. Though the old-fashioned burner was far removed from the mill and danger eliminated as much as possible, yet the new burner will make the property as well as the lumber more secure.

Within the past ten years the dairy cows of Australia have been sold to the foreigners. There is another report that some of the foreigners had been seen on Sunday going through the mill with wands for "riders."

Moncton Gets Some News from Vancartier

Moncton, Sept. 15.—A Moncton volunteer at Vancartier writes that some of the boys of the 10th Field Battery have gone to the various ammunition columns and nine men from the Woodstock and Sydney batteries were added to the 10th. There is plenty of hard work, he says. The new Brunswick boys make a fine appearance on parade.

Charles Henry, who has been employed in the C. G. R. shops here for about three years, has volunteered to go to the front, and is now at Vancartier. He is a nephew of Senator Roche of Halifax.

The authorities are investigating a report that armed foreigners are drilling within twelve miles from Moncton. A report has reached Moncton to the effect that a party of foreigners employed at the C. G. R. shops here, were seen on Sunday going through the mill with wands for "riders."
