

ANNUAL REPORT
BOARD OF FLOUR EXAMINERS.

WINNIPEG, 7TH JULY, 1891.

The President and Members of the Board of Trade:

GENTLEMEN :—

Your Board of Flour and Meal Examiners beg to report that the only occasion, during the past year, on which their services were required, was in having representation at the Annual Meeting of the Examiners of Flour and Meal for the Dominion, which was held at Montreal on the 23rd October, 1890. Our representative was present, and arranged that in future samples of flour should be obtained direct from some of the Manitoba mills, for use at the meeting to fix standards.

All of which is respectfully submitted.

STEPHEN NAIRN,

Chairman.
