

## "Lest We Forget"

Whoever you may be, go into your room to-day and sit quietly for a few minutes. Canada asks you for these minutes in Meditation upon Her Immortals.

Their spirit, the spirit of devotion to duty, of love of Canada and of home that illuminated their lives and made glorious their death, still lives. May it live in you and in me. May we be so inspired that from now onward, constrained by the love of

Canada, we may ever advance her interests, ever work for a greater and more glorious Canada.

To-day is a day of memory, of thanksgiving, and to-day Canada has indeed the right to require from you a thanks offering. But no such demand is made. Canada simply asks you to the fullest extent of your capacity to advance her trade, production, and prosperity, and by so doing help yourself, protect your family, increase your income and all without risk.
