'Quo Vadis' at Opera House.

George Kleins' superb production of the marvelous photodrama 'Quo Vadis' adopted from Henry Sienkiewicz's world famous romance, will be revealed in Wolfville for the first time at the Opera House for one night, Wednesday, Nov. 19th. Beyond a question of doubt this is the most marvelous achievement up to date in photo drama and visualist story with the broadest appeal imaginable. Lovers of history will revel in the reproduction of the gorgeous pictures of ancient Rome with its magnificent palaces, its cat combes, the Arena and host of other interesting scenes and will enjoy the life like impersonations of the famous historical characters, Nero, Tigellinus and the others. Those who lean toward romance can absorb the beautiful story of the great love of Vinitius for the sweet Lygia who turned him from a self-hating pagan into a faithful Christian and the heroic sacrifice of the beautiful slave Eunice for her brilliant master Petronius. Those who take their pleasure in excitement will find ample satisfaction in the chariot race in the Arena, the combats of the Gladiators, the stirring scene where the Christian martyrs are thrown into the Arena with the lions, and also in the marvelous picture showing the burning of Rome, one of the most gorgeous spectacles ever shown upon the screen. And those familiar with Church history will enjoy the visualization of the trials and sufferings of the early Christians, will strengthen their faith with the object lessons of Peter and Paul and the appearance of the Saviour unto Peter as he is about to desert Rome and the Christians. Taken as a whole, this production does more for the scholar, the Churchman and the

Principal DeWolfe greatly regrets to announce that he has received word from Mr. Davies of the Gillmore Bureau that it is necessary to cancel the engagement of the Majestic Grand Opera Quartette. The financial support in other places has made this imperative. It is a keen disappointment to Principal DeWolfe. Arrangements are being made to secure a concert which will in every way measure up to the concert which was to have been given Thursday, Nov. 20th, but this will necessarily come later. In the meantime those who have purchased serial tickets may have a refund or hold their tickets good for admission to the concert to be provided. The concerts thus far given have been of such fine artistic quality that the inability of Mr. Davies, the manager, to meet the conditions of his contract is a matter for regret.

Rod and Gun in Canada

Rod and Gun in Canada for November (Publisher, W. J. Taylor, Ltd., Woodstock, Ont) sustains its reputation as the leading Canadian magazine devoted to the interests of sportsmen. Big game hunting in British Columbia is described in several well written and illustrated articles; 'A Labrador Room' is descriptive of a Labrador fishing village; 'My Visit to an Alberta Trapper,' details a successful day on the trap line; 'How to Keep Game from Spoiling' contains some valuable information for the hunter of big and small game; 'When Riley Tied Hanlan' is by way of variety and is reminiscent of the famous Barrie Regatta when all the world's big scullers had a try out for the Championship. The regular departments are well maintained.

Anxious Times for Parents.

CHILDREN OFTEN SUFFER FROM ANXIOUS TIMES AND ORDINARY MEDICINE DOES NOT HELP THEM. The health of children between the ages of twelve and eighteen years, particularly in the case of girls, is a source of serious worry to nearly every mother. The growth and development takes so much of their strength that in many cases they actually seem to be going backward. The appetite is fickle, brightness gives way to depression; fits of dizziness, or occasional fainting and a complaint of weariness at the slightest exertion. Ordinary medicine will not bring relief. The blood has become thin and watery, and the child must have something that will bring the blood back to its normal condition. At this stage no other medicine can equal Dr. Williams' Pink Pills. Their whole mission is to make new blood, which reaches every part of the body, bringing back health, strength and energy. Mrs. James Harris, Port Rowan, Ont., says: 'At the age of thirteen my daughter began to look very pale and tired. She did not take interest in her school work or in those amusements of girlhood. In fact she just seemed to drag herself about, complaining of all-ways being tired; did not eat well, and did not sleep well at night. I took her to my doctor who said she was anemic, and advised me to give her Dr. Williams' Pink Pills. She took the Pills for nearly two months, when she was as well and lively as any girl could be, gained nicely in weight, and has since enjoyed perfect health. I am quite sure that what the Pills did for my daughter they will do for other pale, weak girls. I have also used Dr. Williams' Pink Pills myself with the best results and can only speak of them in terms of greatest praise.'

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Two and a Half Hours on Operating Table

Specialist Could Not Remove Stone in The Bladder

GIN PILLS PASSED IT

JOLYETH, P. Q. 'During August last, I went to Montreal to consult a specialist as I had been suffering terribly with Stone in the bladder. He decided to operate but said the stone was too large to remove and too hard to crush. I returned home and was recommended by a friend to try GIN PILLS. They relieved the pain. I took two boxes and went back to the specialist. He said the stone was smaller but he could not remove it although he tried for two hours and a half. I returned home undisturbed to take GIN PILLS, and to my great surprise and joy, I passed the stone. GIN PILLS are the best medicine in the world and because they did me so much good, I will recommend them all the rest of my life.'
