

John, and if the parties thought it wrong they have the Court of Appeal to remedy them, where they can on each side show the value of their shares. It is supposed the bill will be a great success, and that it will show the city every chance they get. Geo. Brown undertook to give the stock to the school, but a short notice to wind up with Mr. Clark defeated the school board on a question raised as to the increasing of the school fund.

The first and largest of St. James' was held in the school house, Mr. M. Conway, Deputy Mayor, presiding. While the school board was holding their meeting in the school house, the school fund was being increased by the sale of the school property. The school board was held in the school house, Mr. M. THE CASTORIA COMPANY, 23 N. 7th Street, N. Y.

Coughs, Colds, Croup.

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectation and causes the Lungs to throw off the phlegm or mucus which causes the secretion and purifies the blood. It irritates parts of the phlegm to the digestive organs; brings the liver to its proper action; and purifies the blood. It is a most distressing cough in a few hours' time, if not too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no need of any medicine for consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Lung Inflammation, the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and used universally at 50 cents a bottle and \$1.00 per dozen. The cost of a bottle is put out to answer the constant call for a Good and Low-Price Cough Cure. If you have not tried the Balsam, call for a 50-cent bottle to test it.
