HISE WATER.—The heavy fall of rain the beginning of last week especially on Tusiday afternoon and night raised the water in the river here five or six feet. On Christmas moraing the water was about as high as it is any time during the spring freshets. The dwelling occupied by the Salvation Army efficars was entirely surrounded by water about two feet deep Wilson's dray was used to bring the officers out to dry land. But little damage was caused and the water soon fell to its usual height.

OATLE FAIR.—The monthly cattle fair held here on Thursday last was not largely attended either by buyers or farmers with stock to sell. Rearly all the cattle that was in good condition that was offered was disposed off at figures not satisfactory to those selling.

to those selling.

In the Cells.—Ose day last week a farmer named Mark Dodgeon hailing from Arthur township came to town to market some grain. Shortly after !Mark received his money he got drunk and became somewhat boisterous. Some time after dark he fell in with some companions who willingly at his expense joined him in his corousel, the result of which was that Constable Ward 'run in' Mark and Neil Campbell. The following morning L. Brisbin taxed Mark \$1 and costs and Campbell \$5 and costs, he being an old and frequent offender.

RUNAWAY.—Last Baturday a son of Mr.

Walter McMillan, of Minto, came to town
driving a spirited horse and was not long
here until the animal ran away. McMillan
was thrown out of the buggy and received
quite a shaking up but was not ceriously
injured. The buggy, however, did not escape as well as it was pretty badly wrecked.

ELECTRIC LIGHT, - Our people have be ELECTRIC LIGHT.—Our people have been disappointed in their expectations reparding the electric light. The company agreed to have the town lighted up by the 29th, but we are still in darkness. Owing to some delay in getting the dynamo manufactured the company have failed in fulfilling their agreement. Everything is expected to be in readiness by tomorrow

SCOTT ACT VS. CROCKS ACT .- During the Scott Act vs. Cackes Act.—During the time the Scott Act was in operation here many people stouly maintained that it did not lessen toe amount of drunkenness in the town. Any man who would now make he statement that there is less liquor drank in this town than under the Scott Act, would be looked upon as having lost his senses. There has un questionably been during the past six months more drunkenness and rowdylem and more convictions for drunkenness and disorderly conduct than during the whole three years the Scott Act was in force.

Chestian Union—Rev. W. Smythe,

the Boott Act was in force.

CHRISTIAN UNIDA—BAV. W. Smythe, pastor of the Methodist church here, preached last evening on christian union. He made a strong pies for closer relations among the Protestant Churches, showing pretty clearly the dissertous effects resulting from the divisions and bitterness existing in the past among churches believing and preaching the same doctrines, and what should and might be accomplished in evangelizing the world by a proper use of the men and means of the various Protestant Churches.

Concert at Rockwood.

A most smoossful concert was held in the town hall, Rockwood, on Friday night, under the anuplose of the Eromesa Agricultural Society. By eight o'clock the hall was well filled, the audience comprising not a few from various parts of the township as well as helonging to the village. Mr. James Innes, M. P., was called on to preside, and introduced the programme with a few sanoushle remarks. Mr. Wm. Sharp op-med the concert with some stirring music on the bagpines, which was admirably rendered, as was his different selections during the evening. He also played the dance music in excallent style. The selections ou the violin by him and his brother during the evening took immensely, as they consisted of some favorite strathspays and resis, exceuted with that spirit and correctness very seldom heard by violin players in Canada who attempt such music. Mr. John Strashan's songs were faelingly sungs and well received. He is equally successful in this as he is in his readings which, as usual, were admirably given with his accounted humor and unction. Mr. James Fax, the taleated humorist, made his first appearance in Rockwood, and he took the audience by storm. The different pieces which he gave were encored again and lagain, to which he free ly responded, but the audience were never itsed of hearing and seeing him, and old and young laughed like to split their sides over his comicalities. Mr. Geo. W. Mashieson, of Hamilton, asion-ished the company with his exquisite dancing in Highland costume. The Highland fling, sword dance, sailor's hornjipe, and Irish jig, were all danced in first class style, and immensely enjoyed. Miss Lee and Mr. Mathieson also song "Huntingtower" with much expression. The concert altogether was the best and most enjoyable ever given in Bookwood, and was brought to a close with Audi Lang Byne and God Save the Queen, the audience joining in the choruse.

Before dispersing a vote of thanks was passed to the chairman and three hearty cheers given for the Queen.

Coughs, Croup

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes, the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases of the Lungs, ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE.

If you have not tried the Balsam, call for a 25-cent bottles to test it.
