## 1990 Student Activity Award Point Schedule

All students who are in their final year at the Fredericton campus of UNB are eligible to apply. Students who have previously received a Student Activity Award will only be considered for a higher level of award, and in any event, only if their activity in the interim warrants such consideration.

**Merit Awards** are intended to recognize any student who has made a contribution to student life which is worthy of recognition. **Silver Awards** are intended to recognize those students who make a particularly meritorious contribution to student life in a variety of areas, during their time at UNB; those students who make an outstanding contribution in a limited area during their years at UNB; and those students who make an outstanding contribution in a variety of areas during a limited part of their time at UNB. **Gold Awards** are intended to recognize those students who have demonstrated an outstanding commitment to student activity and campus life in a variety of ways during their years at UNB.

**Important Note:** These points are intended as guidelines only. While the Committee will take notice of the point totals, in any case where it feels that a student has been unfairly prejudiced or advantaged by the point system, the Committee reserves the right to recommend any award at the level it feels is justified. Where point ranges are given for a particular activity, points will be awarded according to the degree of responsibility, time commitment, and breadth of the contribution.

## AIESEC - UNB

### AIESEC MEMBERS GOING ABROAD

I'm back after a few short weeks of absence, absence of this article that is owing to an absence of mind. But back none the less with good news abound. (A short translation of that will reveal I forgot my article last week but have several good things to say this week.)

First ten members of AIESEC-UNB attended the AIESEC Atlantic Regional Spring Conference in Truro which was hosted by AIESEC-Saint Mary's. This past weekend a good time was had by all, partying with old friends from around the Atlantic to the music of Lambert and James, and the Swell Guys. While nursing swelled, heads seminars were held for the new executive and plans were made for Career Day 90 and especially Summer reception. I say especially, because summer reception is part of AIESEC's largest yearly activity, the traineeship program. Summer reception involves greeting foreign AIESEC students coming here to work for the summer and showing them around and arranging events for them to participate in. All AIESEC members are welcome to participate in summer reception events.

With further respect to traineeship, congratulations would like to be extended to AIESEC-UNB students who will be going abroad on the traineeship program this summer. These people are Nicole Roy to the UK, Diane Garey to India, and Janisha Patel to Switzerland. I myself am going to Ghana for the summer, which is in West Africa.

Finally AIESEC-UNB would like to thank Dan Symes and Werner Disselkamp for providing the transport to Truro this past weekend.

The next general meeting is on Tuesday, March 20 at 4:00pm in room 203 of the SUB.

## DEBATING UNION NOTICE

The debating union is alive and well at UNB. Currently we are looking for more new members to quadruple our membership. Debating is open to people from all backgrounds but especially appeals to people who love to argue and are interested in current affairs. We also offer the chance to develop strong public speaking skills. Debating allows one to see both sides of an issue in order to construct logical argument quickly and easily under pressure.

The Debating society promotes the university as a strong academic institution; while competing at the national and international levels.

We are also an organization that promotes student awareness about important social issues and have an active intramural debating program that brings these issues into an open forum. This promotes greater student awareness of issues that face them and society as a whole.

This year we have attended: The Hart house tournament in Toronto, the Dalhousie 'mardi gras' tournament, the McGill invitational tournament, the nationals in Kingston, Ontario, the World Debating Championships in Glasgow Scotland and the Model United Nations in Toronto which we won together with the Political science students association. The last two of these events were international competitions.

The Debating Union at UNB has alot to offer. I would encourage anyone interested in finding out more about debating to come to one of our general meetings held in Tilley Hall room 303 Thursdays at 6:00pm and Saturdays at 2:00pm.

If you would like to enhance your public speaking or discussion skills please join us. We're always looking for interested people.
