of the Indian Affairs in Albany
the 5th of June 1723

Brethren

We shall first tell you that Laurence
was Directed by us to Endeole the Deaths of
the three Sachims that died last fall belong-
ing to the Sinnekes which he says he has done
and desire you to let us know what wise men
are appointed in their Room that we may
approve of them

We are glad to see so many of the
Sachims of the Six Nations here, and of having
the opportunity of treating with you concern-
ing some affairs of great moment in respect
to this Govern^t. but before we proceed it is
necessary to tell you, that we think you cant
have forgot with how happy an agreement
from assurances and hearty Resolutions
the meeting with your Brother Gerlaer the
Govern^r of Virginia and Pennsylvania
ended, that if they be well observed we shall
always meet wth joyful countenances

You then promised solemnly that
you would not correspond with the french
of Canada but adhere & cleave strongly
to the English, that you would give all the
encouragement and assistance that lay in your
Power
