CANADIAN NATIONAL TELEGRAPHS

Ottawa, February 18, 1950

Honourable J. T. M. Anderson, M.L.A.,  
Premier of Saskatchewan,  
Regina, Saskatchewan.

Your letter February 14, duly received (STOP)

I regret that owing to debate on the Address on Monday  
24th, it will be impossible to meet delegation that day (STOP)  
Will be glad however to see delegation any day later in the  
week and discuss the remaining points as per our respective  
letters (STOP) May I also say that I understand first: that  
by an accounting you mean something similar to principle  
laid down in settlement with Province of Alberta; and second:  
that the reference to the Supreme Court of Canada will of  
course be made by the Governor in Council as provided by the  
Supreme Court Act.

W. L. Mackenzie King.
