

# The Scofield Reference Bible

REV. R. A. TORREY, D.D., says :—"I am so impressed by it that I feel that every minister and Christian worker should obtain a copy. The introductions to the different books are simply invaluable; they pack more sometimes into a single sentence than other books put in a volume. The foot-notes also are of great value. The references are beyond all comparison better than in any other Bible with which I am acquainted. The paragraph divisions oftentimes throw a flood of light upon the verses that follow."

REV. J. WILBUR CHAPMAN, D.D., says :—"I have received with the greatest pleasure the Scofield Reference Bible, and wish to say that I consider it in every way a most remarkable book. I saw a copy while in China and was eager to secure one of my own, and this eagerness increased as I became familiar with the strong points of the book. It ought to be greatly used and of the greatest possible blessing to its readers, as I am sure it will be."

REV. GIPSY SMITH says :—"The Scofield Reference Bible supplies a real need. It is a Commentary and Bible combined that can be carried in the pocket, with splendid type and beautifully bound."
