

USING THE WALLS TO EDUCATE

GOOD PICTURES beautify and educate. Beautiful photographic enlargements on the walls of the Sunday School or Home are a never-failing object lesson, besides creating an uplifting, homelike atmosphere. There is a great lack and consequent need of good pictures in our Sunday Schools and homes.

From our thousands of choice negatives of a variety of Biblical, Landscape, Marine or Moonlight views, we are now prepared to make to order beautiful enlargements in black and white, sepia, blue or green tones.

Here are a few suggestions of Biblical subjects to start with :

Arrival of the Shepherds at Bethlehem	- - - -	Lerolle
Christ among the Doctors	- - - -	Hofmann
Christ and the Young Ruler	- - - -	Hofmann
